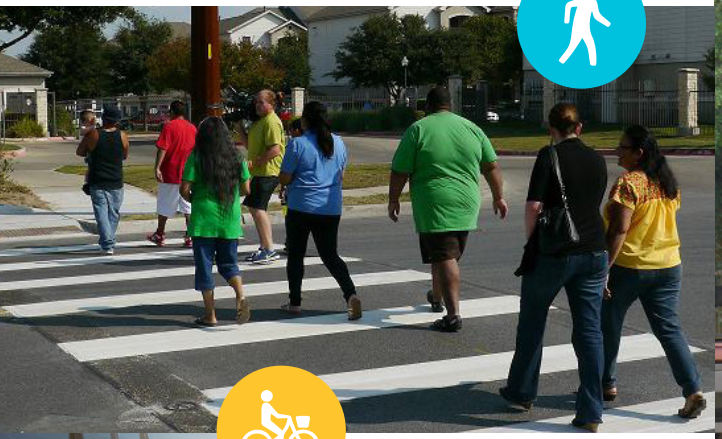
The City of Austin is initiating its first Smart Trips pilot program in North Central Austin. Austin Smart Trips is a program by the Austin Transportation Department's Active Transportation Program. Our goal is to help residents get around Austin by foot, bike, bus, transit or carpooling.



La Ciudad de Austin está iniciando su primer programa piloto de Movilidad Inteligente/Smart Trips en el Norte de Austin. La Movilidad Inteligente es parte del Programa de Transportación Activa del Departamento de Transportación de Austin. Nuestra meta es animar a los residentes para que sus recorridos sean más fáciles y saludables, caminando, en bicicleta, autobús, usando otro transporte público o compartiendo autos.
