

Stakeholder Materials Now Available on New DSD Webpage

Thank you for joining us at the Development Services Department's (DSD's) Jan. 26 stakeholder meeting. We value your participation and hope you found the meeting useful and informative.

As promised, the video and slide deck from the meeting are now available on our new [Public Meetings webpage](#). This page offers resources for DSD stakeholders, including information about upcoming and recent meetings and engagements.

We continue to work through the questions we were unable to answer completely during the meeting. We plan to add this information to the page when the responses are complete. Thank you for your patience as we take steps to provide accurate and complete responses.

We will continue building on this page throughout the year to offer a centralized, easily accessible location for this type of information.

If you have not yet done so, we invite you to provide your feedback on the [meeting survey](#) so we can continue to improve.

We look forward to keeping you updated as we continue to improve the development process and customer experience in 2022. If you have questions or suggestions, please contact DSDCommunications@austintexas.gov.
