Watershed Protection Development Review

Watershed Protection & Development Review Department, The City of Austin produced this map for the sole purpose of use as a work resource and as an estimated boundary of landfills in & around Austin. The City of Austin does not warrant the map &/or information regarding its accuracy or completeness. Reproduction is not permitted without permission from the City of Austin-Watershed Protection & Development Review Department.

Date: 09.20.2006

3.28 #32, LOOP 360

Location: The Sprinkle landfill is owned by the City of Austin, and is located southwest Austin, in the Barton Creek Greenbelt behind the Brodie Oaks Shopping Center, at 4000 Loop 60.

Extent: The Loop 360 site is a historic illegal dump site located in the Barton Creek Greenbelt, immediately behind the ToysRUs store in the Brodie Oaks Shopping Center. City staff estimates the waste to be spread over a three to four acre area. The area consists of steep, heavily wooded ground sloping down to Barton Creek.

Prior Use: The wastes appear to never have been capped. However, over the years much of it had been buried by a shallow cover of soil and leaves through natural processes. Waste included construction debris, roofing material (potentially containing asbestos), and many glass. More recently, illegal dumping appeared to be occurring over the retaining wall behind ToysRUs.

Remediation: This site began a remediation effort in 2011 in which the waste was removed.

Current Condition: As of July 2012, the landfill is under remediation. After project is complete, the site will not pose a current or future material concern to human health or the environment.
