SUMMER

FUN

All the world is a stage...

Join youth from all over Austin this summer as we explore the possibilities of the performing arts.

Students will not only have a great summer, they will also walk away from our camp having achieved a greater sense of self, poise, and confidence. **Broadway Bound** focuses on movement, voice, and the discipline it takes to pull off a successful performance.

In the Summer of '09 the young thespians performed the full production and score of *The Wizard of Oz*. They were able to do the show process from beginning to end—auditioning, casting, rehearsing and more rehearsing.

At the end of **Broadway Bound** Camp 2008 the world had two dozen additions to the actors' roster!

Get on it!!

Broadway Bound Performing Arts Summer Camp was designed with four simple goals in mind

- Give families an affordable way to send students to a theater oriented camp program
- Give students an artistic, yet educational outlet during the summer
- Bring the performing arts and museums together in young minds
- Offer students the opportunity to give a live performance to the Austin community.

It is not often that you can find a summer camp that offers what we have at the Carver for the price. Not only are we centrally located, our building is also complete with:

- Stage
- Dance studio
- Dressing room
- Classroom
- Four galleries

During the day students have a busy work schedule. They begin the day with stage movement, transition to voice and diction, then work on character analysis and break for lunch.

Following lunch all classes will come together to work on their Summer Camp Musical Production,

Annie!
