Benefits Guide Information

City of Austin employees have access to benefits approved by the City Council each year as part of the budget process. The benefits and services offered by the City may be changed or end at any time. These benefits are not a guarantee of your employment with the City.

This Guide is designed to help you understand your benefits. Review this material carefully before making your enrollment decisions. Your rights are governed by each Plan Instrument, which may be a plan document, evidence of coverage, certificate of coverage or contract. If there is a conflict between the provisions of the plan you selected and this Guide, the terms of the plan govern.

For detailed information about the plans, refer to each plan instrument, contact the Employee Benefits Division of the Human Resources Department or the vendor.

City Benefits

The City is concerned for the health, welfare, and safety of its employees and is committed to providing cost-effective, sustainable benefits that assist employees in being physically and mentally healthy. The benefits offered require employees to assume responsibility for the choices they make and to be informed on how to use their benefits effectively.

As part of this philosophy, the City is committed, as resources permit, to making available a comprehensive benefits program that includes plans for:

- Health care
- Wellness
- Disability income
- Income replacement
- Death benefits
- Education and training
- Paid time away from work
- Childcare

The City will explore other areas of benefits to the extent they fill a need of a major portion of the workforce and to the extent they can be provided cost-effectively and efficiently on a group basis.

Cost-wise Consumerism

Since rising health care costs affect both the City and its employees, the City will continue to study new coverage options that help control health care costs. The program is designed to be cost-effective, for both the short term and the long term.

The cost of the program is determined in a realistic fashion and does not vary with short term financial considerations. Employee contributions are required to help finance the cost of parts of the program.

Administration

The overall administration of the benefits program is re-evaluated and revised periodically to ensure it is simple, efficient, cost-effective, and satisfies overall goals.

Communications

A variety of media is used to communicate the benefits program to employees and their dependents. Methods used include presentations, newsletters, the City's website, video on demand, and *CitySource Today*.

In addition, benefits staff are available by phone or in person to discuss benefits questions with employees and their families. Communication goals of the benefits program include:

- Educating employees on how to use their benefits.
 - ❖ Employees should understand their responsibility for the choices they make.
 - ❖ Employees should follow the requirements of the plans.
- Educating employees on how to be better consumers of all benefits.
 - ❖ Employee choices should be appropriate for their needs.
 - ❖ Employees should contribute to the fiscal integrity and cost-effectiveness of the plans by making informed choices when using their benefits.
- Increasing employee understanding of the value of their benefits.

"I choose to work for the City of Austin because I appreciate its commitment to accessibility under the Americans with Disabilities Act. One of the programs I use is the Metro Access Program. This program is an on-demand rideshare program for persons who qualify based on disability. The service provided is reliable, affordable, and convenient when you know where you need to go the day before. It provides me with curbside service when I am dealing with unfamiliar areas or inclement weather."

Dependent Eligibility

Enrolling Dependents for Benefits

If you are a full-time or part-time employee, your dependents are eligible for:

- Medical
- Vision
- Dental
- Life Insurance
- Health Care FSA
- Dependent Care FSA
- Group Legal Plan
- Wellness Program
- Employee Assistance Program

Eligible Dependents

- **Spouse:** Your legally married spouse.
- **Domestic Partner:** The individual who lives in the same household and shares the common resources of life in a close, personal, intimate relationship with a City employee if, under Texas law, the individual would not be prevented from marrying the employee on account of age, consanguinity, or prior undissolved marriage to another person. A domestic partner may be of the same or opposite gender as the employee.
- **Children:** Your biological children, stepchildren, legally adopted children, children for whom you have obtained court-ordered guardianship or conservatorship, qualified children placed pending adoption, and children of your domestic partner, if you also cover your domestic partner for the same benefit. Your children must be under 26 years of age.
- **Dependent Grandchildren:** Your unmarried grandchild must meet the requirements listed above and must also qualify as a dependent (as defined by the Internal Revenue Service) on your or your spouse's federal income tax return.
- **Disabled Children:** To continue City coverage for an eligible dependent past the age 26, the child must be covered as a dependent at the time, unmarried, and must also meet the following definitions:
 - ❖ A disabled child must rely on you for more than 50 percent of support.
 - ❖ A child is considered disabled if they are incapable of earning a living at the time the child would otherwise cease to be a dependent and depend on you for principal support and maintenance, due to a mental or physical disability.
 - ❖ A disabled child continues to be considered an eligible dependent as long as the child remains incapacitated and dependent on you for principal support and maintenance, and you continuously maintain the child's coverage as a dependent under the plan from the time they otherwise would lose dependent status.
 - ❖ A dependent child who loses eligibility and later becomes disabled is not eligible for coverage. A disabled child who was not covered as a dependent immediately prior to the time the child would otherwise cease to be a dependent is not eligible for coverage.
 - ❖ A disabled child dependent must be covered continuously on the medical and dental plans. If coverage is dropped, the disabled child will not be allowed to re-enroll.

Covering dependents who are not eligible for the City's insurance programs unfairly raises costs for all participants in the programs, as well as for the City.

Dependent Documentation

If you are adding a dependent under any of the City's benefits programs, you must provide documentation that supports your relationship to the dependent. **Social Security Numbers** must be provided for all eligible dependents.

Acceptable documents are listed below for the following dependents:

- **Spouse:** A marriage certificate which has been recorded as provided by law.
- **Domestic Partner:** A Domestic Partnership Affidavit and Agreement form signed by the employee and domestic partner. Also a Domestic Partnership Tax Dependent Status form signed by the employee.
- **Child:** A certified birth certificate, complimentary hospital birth certificate, Verification of Birth Facts issued by the hospital, or court order establishing legal adoption, guardianship, or conservatorship, or qualified medical child support order, or be the subject of an Administrative Writ.
- **Child of a Domestic Partner:** The documentation listed above must also be provided and the domestic partner must be covered for the same benefit in order to cover a child of a domestic partner.
- **Stepchild:** The documentation listed above must also be provided and a marriage certificate or declaration of informal marriage indicating the marriage of the child's parent and stepparent.
- **Dependent Grandchild:** The documentation listed above must also be provided and a marriage certificate or declaration of informal marriage that supports the relationship between you and your grandchild.
- **Disabled Child:** A completed Dependent Eligibility Questionnaire verifying an ongoing total disability, including written documentation from a physician verifying an ongoing total disability.
- **Qualified Child Pending Adoption:** For children already placed in your home, an agreement executed between you and a licensed child-placing agency, or the Texas Department of Family and Protective Services, meeting the requirements listed in Dependent Eligibility.

Persons Not Eligible

Dependents do not include:

- Individuals on active duty in any branch of military service (except to the extent and for the period required by law).
- Permanent residents of a country other than the United States.
- Parents, grandparents, or other ancestors.
- Grandchildren who do not meet the definition of dependent and who are not claimed on your or your spouse's federal income tax return.

An individual is not eligible to be covered:

- As both a City employee and a City retiree, for the same benefit.
- As both a City employee or City retiree and as a dependent of a City employee or City retiree, for the same benefit.
- As a dependent of more than one City employee, or City retiree, for the same benefit.

Coverage Information

Changing Your Benefits Coverage

To change your benefits coverage, you must call the Employee Benefits Division to schedule an appointment.

You can request changes to your coverage:

- Within 31 days of a Qualifying Life Event.
- Within 31 days of the date you initially become eligible for coverage.

If you miss the deadlines listed above, you must wait until next Open Enrollment. To drop coverage for dependents who no longer meet the eligibility requirements, you must call the Employee Benefits Division to schedule an appointment to complete a Benefits Enrollment Form.

Qualifying Life Events

You can add, drop, or change coverage for yourself and your dependents when you experience a Qualifying Life Event such as: marriage, divorce, birth, adoption of a child, death of a dependent, establishing a committed living arrangement as domestic partners, dissolution of domestic partnership, loss or gain of other coverage, or change in employment. You must call the Employee Benefits Division within 31 days of the Qualifying Life Event to schedule an appointment to complete a Benefits Enrollment Form.

In the case of a **newborn dependent**, your newborn is **temporarily covered** for medical for 31 days. After 31 days, if you do not complete a Benefits Enrollment Form and pay any required premiums to add your newborn, your newborn will no longer have coverage even if you have Employee and Children or Family coverage.

Coverage Effective Dates

When you complete a Benefits Enrollment Form, provide required documentation, and pay any premiums owed, coverage is effective for you and your dependents as follows:

- If you enroll within 31 days of the date you are first eligible, coverage for you and any dependents you enroll will be effective on the date you are first eligible.
- If you enroll within 31 days of a Qualifying Life Event, (except for the birth of a child or the court-ordered adoption, placement for adoption, guardianship or conservatorship of a child), coverage for you and any dependents you enroll will be effective either the first day of the following pay period or the first day of the month following the date you submit the Benefits Enrollment Form.

- If you enroll within 31 days of the birth of a child, coverage will be the effective on the date of the birth; even if you have Employee and Children or Family coverage, you must complete a Benefits Enrollment Form.
- If you enroll within 31 days of the court-ordered adoption, placement for adoption, guardianship or conservatorship of a child, coverage will be effective on the date of the adoption, placement for adoption, guardianship or conservatorship; even if you have family coverage, you must complete a Benefits Enrollment Form.
- If you enroll during Open Enrollment, coverage for you and any dependents you enroll will be effective on January 1 of the following year.

Coverage Ending Dates

Coverage for you and your dependents will end on the earliest of the following:

- The date the plan in question ends.
- The date the coverage in question ended or is reduced.
- The date the plan is amended to end coverage for you or your class of dependents.
- The last day of the pay period in which you voluntarily drop coverage.
- The last day of the pay period in which you or your dependents no longer meet eligibility requirements.

Waiving Coverage

If you are a full-time or part-time employee declining or dropping medical and dental coverage for yourself, you must:

- Complete a Benefits Enrollment Form.
- Sign a waiver indicating you are aware that medical and dental coverage is available to you by the City of Austin.

If you later decide you want City provided coverage, you will not be able to enroll until the next Open Enrollment or within 31 days of a Qualifying Life Event.

Premium Information

For full or part-time (20-29 hours) employees, the City pays a portion of your dependent's medical and dental premiums. The amount paid by the City is not taxable to you if your dependent is a qualified dependent as defined by the Internal Revenue Service (IRS). You are responsible for determining whether your dependent meets the IRS dependent definition.

Premium Deduction Errors

It is your responsibility to verify that the premium deductions taken from your paycheck are correct. Any deduction errors must be reported immediately to the Employee Benefits Division at 512-974-3284.

Enrollment Form Errors – It is your responsibility to ensure that information on the Benefits Enrollment Form is correct. If a premium deduction error occurs, notify the Employee Benefits Division immediately. If an underpayment occurs due to an error you made on the Benefits Enrollment Form, the City has the right to collect any additional premiums owed.

Data Entry Error/Delay – If a data entry error occurs or if data entry is delayed, it will not invalidate the coverage on your Benefits Enrollment Form. Upon discovery, an adjustment will be made to reflect the correct premium deduction. If underpayment of a premium occurs, the City has the right to collect any additional premiums owed by you. If overpayment occurs, the City will reimburse you any amount of overpaid premiums up to a maximum of two pay periods.

Taxable Fringe

If you choose benefits coverage for a dependent who does not qualify to be claimed on your federal income tax return, you may have to pay taxes on the amount of money the City contributes for the dependent's medical and dental benefits. This money is considered taxable income, and must be reported to the IRS. The City refers to this money as taxable fringe. A spouse is never subject to taxable fringe. If at least one of the children for whom you have elected medical or dental coverage is a child you claim as a dependent on your federal income tax return, the City's contribution will not be considered taxable income.

Retiring from the City of Austin

After you complete your retirement paperwork with the retirement system, you must call the Employee Benefits Division within 31 days from your retirement date to schedule an appointment to enroll in retiree benefits. If you miss this deadline, your next opportunity to enroll will be during Open Enrollment or within 31 days of a Qualifying Life Event. **To avoid a lapse in your benefits coverage** (from active employee benefits to retiree benefits), you must schedule your appointment no later than the last day of the month you are retiring in.

"To me the City of Austin benefits are all inclusive and extremely competitive with some of the best companies in the world."

"I find it gratifying to serve the local community. Three years ago, I had a medical scare. During that time, I had a bunch of tests and appointments. Having City of Austin benefits has brought relief because I do not worry about going to my doctor in fear of a bill that I may not be able to afford. It takes a huge load off my mind, my finances, and most importantly my health."

- You must provide a physical address to HSA Bank (no post office boxes).
- You must be a legal resident of the United States.

If eligibility is met, your HSA will be opened automatically.

How the CDHP w/HSA Works:

- Preventive Services – Covered at 100 percent.
- Injury or Illness at Tier 1 or Network Provider – The amount you pay will be determined after BlueCross BlueShield discounted rates.
- Calendar year deductible – After you meet the deductible, the plan will pay 80 percent of covered services for Tier 1 and 70 percent for Network Providers.
- Out-of-Pocket-Maximum – After you meet the out-of-pocket-maximum, the plan pays 100 percent for all eligible covered medical and pharmacy expenses.

Example: Bill is enrolled in the CDHP w/HSA, Employee & Children coverage. By enrolling in the CDHP w/HSA instead of the HMO, Bill saved \$2,755 in premiums. Bill's 11-year-old daughter is sick and he takes her to the doctor. The cost of the visit, after the contracted discount, is \$100, and he uses his HSA Bank debit card to pay for the office visit. His out-of-pocket cost is \$0 because he uses \$100 of the \$1,000 the City contributed to his HSA. This was their only medical expense and his HSA balance of \$900 will roll over to 2022.

The City Contributed \$1,000 in Bill's Health Savings Account in 2021.

The doctor charges Bill \$100 for his daughter's visit.

Bill pays the \$100 using his HSA Bank debit card received from the bank.

Bill has \$900 left in his Health Savings Account for 2021 that will carry over to 2022.

“The ARAG benefit is super straightforward. ARAG was introduced to me in new employee orientation, but it was a colleague that let me know about their personal legal case and how ARAG helped. I was able to complete a full legal case from consultation to filing with the courts at a bargain price and with less hassle. ARAG is a great service if you have a straightforward legal case. It was super inexpensive compared to what it would have cost me without the benefit.”

Group Term Life Insurance

Basic Life Insurance

Provided at no cost for full-time employees. You receive one times your base annual salary. Base annual salary does not include shift differential, overtime, Service Incentive Pay, lump sum payments, or stipends. Part-time employees may purchase Basic Life Insurance.

Supplemental Life Insurance

Paid entirely by you. You must have the City's Basic Life Insurance to purchase Supplemental Life Insurance. You may purchase Supplemental Life Insurance in amounts equal to one, two, three, or four times your base annual salary.

Your Supplemental Life coverage amount is rounded down to the nearest \$1,000. Your cost is based on your age, salary, and the amount of insurance selected. You may increase your Supplemental Life coverage annually during Open Enrollment by one coverage level each year, up to a maximum of four times your base annual salary.

Your Supplemental Life Insurance premiums may be deducted from your pay on a before or after-tax basis. You must indicate your choice on your Benefits Enrollment Form.

To calculate your per pay period cost, visit austintexas.gov/benefits or complete the Supplemental Life Insurance Worksheet at the end of the Life Insurance section.

Choosing a Beneficiary

In the event of your death, your Basic Life, Supplemental Life, and your final paycheck are paid to your named beneficiary or beneficiaries. Unless prohibited by law, your life insurance benefits will be distributed to the beneficiaries you named. Current Texas law states a legally married spouse is entitled to 50 percent of the policy, and if not listed as a named beneficiary, the spouse may contest.

If you are legally married and designate less than 50 percent of your life insurance to your spouse, upon your death the life insurance carrier may contact your spouse for confirmation of this reduced percentage. If your spouse is not in agreement and an agreement is not reached between the beneficiaries listed, the Texas court will make the decision.

If your named beneficiary is under 18 years of age at the time of your death, court documents appointing a guardian may be required before payment can be made. You should talk with an attorney to make sure that benefits to a minor will be paid according to your wishes.

If you designate a testamentary trust as beneficiary (i.e. created by will), you should recognize the possibility that your will which was intended to create a trust may not be admitted to probate (because it is lost, contested, or suspended by a later will).

Your Beneficiary Designation Form

You can update your beneficiary designation two ways.

1. Log in to the HRD Portal at hrportal.coacd.org from your work computer.
2. By completing a paper Beneficiary Designation Form. Forms are available from the Employee Benefits Division or your department's HR.

The version with the most recent signature date will be used for payout. It is important to keep your beneficiaries current.

Other Beneficiary Designation Forms

To change your beneficiary designations for other benefits, do one or more of the following:

- City of Austin Employees' Retirement System (COAERS) participants should call COAERS at [512-458-2551](tel:512-458-2551).
- City of Austin Police Retirement System (PRS) participants should call PRS at [512-416-7672](tel:512-416-7672).
- If you participate in the Deferred Compensation Plan, you can designate a beneficiary online at dcaustin.com.
- If you participate in the CDHP w/HSA, you can designate a beneficiary online at HSABank.com.

Accidental Death and Dismemberment (AD&D) Coverage

If you are enrolled in Basic and/or Supplemental Life Insurance, you also have AD&D coverage equal to the total amount of your life insurance.

If you have an injury that results in a covered loss, as listed below, you may be eligible for a percentage of your AD&D coverage in effect on the date of the accident. The loss must occur within 365 days of the accident. Injury means bodily injury caused by an accident, occurring while coverage is in force, and resulting directly and independently of all other causes in a loss covered by the AD&D policy.

Covered Loss	Percentage
Life	100%
One hand, one foot, or sight of one eye	50%
Two or more of the above losses	100%
Loss of speech	50%
Loss of hearing	50%
Thumb and index finger of same hand	25%
Quadriplegia	100%
Paraplegia	75%
Hemiplegia	50%
Uniplegia	25%
Brain Damage	100%

Loss of hands or feet means severance at or above the wrist or ankle. Loss of sight means total and irrecoverable loss of sight. Loss of speech means total and irrecoverable loss of speech. Loss of hearing means total and irrecoverable loss of hearing. Loss of thumb and index finger means the actual, complete, and permanent severance through or above the metacarpophalangeal joints.

An additional 10 percent of the full amount of the Accidental Death and Dismemberment Benefit will be paid to your designated beneficiary or beneficiaries if you die while wearing a properly fastened, original factory-installed seat belt in an automobile accident. However, the amount payable will not exceed \$10,000 for the Seat Belt Benefit. An additional Air Bag Benefit will be paid if certain conditions are met.

Waiver of Premium

If you become totally and permanently disabled before age 65, your life insurance coverage may be continued. Total and permanent disability means that, as a result of illness or injury, you are unable to perform the duties of your own occupation or any gainful occupation for which you are reasonably suited by education, training, and experience.

To qualify for Waiver of Premium, you must complete and submit written proof to the insurance carrier of your total and permanent disability and complete the application process within one year of your last active work day.

To apply for a Waiver of Premium, contact the Employee Benefits Division. If approved, you will not be charged a premium as of the date of notification.

Accelerated Death Benefit

If you are terminally ill, the life insurance carrier offers an accelerated death benefit that allows you to receive part of your life insurance money prior to your death. If you are diagnosed as terminally ill by a doctor, contact the Employee Benefits Division to apply for accelerated benefits. The insurance carrier may require you to be examined by a doctor of their choice, at their expense. If you are approved for an accelerated benefit, it is payable in a lump sum up to 50 percent of the amount of your life insurance coverage. The accelerated benefit can be used with Basic and Supplemental Life Insurance and is subject to a minimum payout of \$10,000 and a maximum payout of \$500,000.

Filing a Life Insurance Claim

A life insurance claim form must be filed with the Employee Benefits Division and the appropriate documents submitted for:

- Employee death – one original death certificate. Additional documents will be required if death is due to an accident.
- Dependent death – one original death certificate.

Imputed Income (I50)

The IRS requires the City to withhold taxes on the value of employer paid group term life insurance coverage over \$50,000. This includes your combined Basic Life and Supplemental Life Insurance coverage. The life insurance coverage premium exceeding the \$50,000 limit is taxable and is referred to as imputed income, and is also known by the IRS code "I50."

Example: John Smith is 45, and his annual salary is \$60,000. Unless he caps his basic life benefit paid by the City at \$50,000 he will have imputed income on the premiums for \$10,000 of coverage. According to the IRS, the taxable value of a 45-year-old individual is \$0.15 per \$1,000. Therefore, John's monthly imputed income is $10 \times \$0.15 = \1.50 . To calculate your imputed income, visit [irs.gov](https://www.irs.gov) to view the premium table.

Using the example above, John also elects four times his annual salary in Supplemental Life Insurance. John should select "no" on his enrollment form for before-tax premiums. The result is no imputed income will be reported on his supplemental life value because premiums are deducted from his pay after taxes are calculated. Imputed income is coded as I50 on your paycheck. This income is subject to federal income tax and FICA (OASDI and Medicare), and is deducted on a monthly basis.

Your Right to Convert

The Life Insurance that you have as an employee for you and your dependents will terminate when you separate employment with the City, because the group policy is Term Life insurance. Upon retirement or termination, you can convert your group policy, to an individual policy with the life insurance carrier (subject to plan limitations). If you convert to an individual policy please be aware that the cost of an individual policy may be significantly higher than the group plan due to your age. You must apply and pay your first premium no later than 31 days after the date the coverage has ended. For additional information on conversion to an individual policy, call the Employee Benefits Division at [512-974-3284](tel:512-974-3284).

Supplemental Life Insurance Worksheet

Employees must have Basic Life Insurance offered by the City to purchase Supplemental Life Insurance.

You may purchase Supplemental Life Insurance in amounts equal to 1, 2, 3, or 4 times your base annual salary. Base annual salary does not include shift differential, overtime, Service Incentive Pay, lump sum payments, or stipends.

To estimate your pay period cost for Supplemental Life Insurance, follow these steps, or calculate online at austintexas.gov/benefits.

1. Determine your **Base Annual Salary**. Do not include any hours for overtime.

$$\underline{\hspace{2cm}} \text{ Hour Work Week} \times 52 \text{ weeks} = \underline{\hspace{2cm}} \text{ Hours} \times \$ \frac{\underline{\hspace{2cm}}}{\text{Hourly Rate}} = \$ \frac{\underline{\hspace{2cm}}}{\text{Base Annual Salary}}$$

2. To find the **Supplemental Life Amount**, multiply your **Base Annual Salary** (from Step 1) by 1, 2, 3, or 4. Then round your answer down to the next closest \$1,000.

$$\$ \frac{\underline{\hspace{2cm}}}{\text{Base Annual Salary}} \times 1, 2, 3, \text{ or } 4 = \$ \frac{\underline{\hspace{2cm}}}{\text{Supplemental Life Amount}}$$

3. To find the **Number of \$1,000 Units**, divide the **Supplemental Life Amount** (from Step 2) by 1,000.

$$\$ \frac{\underline{\hspace{2cm}}}{\text{Supplemental Life Amount}} \div 1,000 = \frac{\underline{\hspace{2cm}}}{\text{Number of \$1,000 Units}}$$

4. To find your **Pay Period Cost**, multiply the **Number of \$1,000 Units** (from Step 3) by the **Cost Per \$1,000 of Coverage** for your age group (see chart below). The answer in Step 4 is your estimated cost per pay period.

$$\frac{\underline{\hspace{2cm}}}{\text{Number of \$1,000 Units}} \times \$ \frac{\underline{\hspace{2cm}}}{\text{Cost per \$1,000}} = \$ \frac{\underline{\hspace{2cm}}}{\text{Pay Period Cost}}$$

Flexible Spending Accounts (FSA)

A FSA lets you set aside money from your paycheck on a pretax basis to use for eligible out-of-pocket expenses. There are two types of FSA's that you can participate in:

- **Health Care FSA** – Allows you to pay for eligible medical, dental, vision, hearing, and prescription drug expenses for you, your spouse, and your eligible tax dependents.
- **Dependent Care FSA** – Allows you to pay for eligible child care, before and after school care, nursery school, preschool, and summer day camp.

Both accounts are regulated by Internal Revenue Service (IRS) code Section 125 and are administered by Total Administrative Services Corporation (TASC)

Health Care FSA

IMPORTANT: CDHP participants are not eligible to enroll in the Health Care FSA. You can participate in the CDHP Health Savings Account (HSA) and Dependent Care FSA.

- You can contribute pretax dollars from your paycheck, up to the IRS limit of \$114 per pay period (minimum \$5).
- Your full contribution is available immediately to pay for eligible health care expenses. It covers you, your spouse, and/or your tax dependents for:
 - ❖ Copays, coinsurance, and deductibles
 - ❖ Dental expenses like orthodontia, crowns, and bridges
 - ❖ Vision expenses like LASIK eye surgery, glasses, and contacts
 - ❖ Prescription drugs and prescribed over-the-counter items

For a complete list of eligible health care expenses, call TASC at 800-422-4661 or visit [irs.gov](https://www.irs.gov).

Dependent Care FSA

- Your contributions are available as the funds are deducted from your paycheck.
- Funds are for your dependents under age 13, or age 13 or older if physically or mentally incapable of self-care, and spends at least eight hours a day in your home.

To calculate your pay period contribution, estimate your out-of-pocket expenses for the calendar year (24 pay periods). If you enroll mid-year, estimate your expenses for the number of eligible pay periods remaining for the calendar year. Refer to the worksheets in this section to assist you in calculating your per pay period contribution amounts.

- **File a claim:** Pay your eligible expenses by cash, check or credit card. Then submit a claim form along with your receipt to pay yourself back. For speed, upload your documentation to your TASC app. Your money will be deposited directly into your MyCash account, checking, or savings account within 48-72 hours following the submission of complete and accurate reimbursement request. **Note:** Claims are not processed on Saturdays.

Health Care FSA Debit Card

Benefits on the Go!

You can access your account online at tasconline.com or download the TASC app to view your Health Care and/or Dependent Care FSA activity, check your balance, upload receipts and documentation, receive text alerts, and check your MyCash balance.

What is MyCash?

When you submit for a reimbursement, your money will be deposited into your MyCash account. The money can be accessed by the swipe of your TASC card, withdrawn at an ATM, or transferred to your personal checking or savings account. Your money in MyCash is not tied to any Plan year and does not expire. **Note:** If you choose to withdraw your money at an ATM, ATM/bank fees may apply.

Here are a few FSA Reminders

- Save your itemized statements and detailed receipts. You may need to provide documentation to substantiate a claim to TASC or the IRS.
- TASC will request documentation for unsubstantiated claims which you must provide.
- **Use-it-or-Lose-it rule.** This means you'll lose any unused funds not claimed by the IRS set deadlines below.
 - ❖ March 15, 2022 – deadline to incur expenses.
 - ❖ May 31, 2022 – deadline to submit your claims for reimbursement from your 2021 account.
- You can enroll in or change your contribution if you are a new employee, have a Qualifying Life Event, or during Open Enrollment.
- Orthodontia expenses: The amounts reimbursable for orthodontia expenses are determined as claims are incurred throughout the course of treatment. The amount reimbursable through Health Care FSA is the difference between the amount billed and the amount paid by the dental plan. This amount may not match the payment plan you have set up with your dentist.
- If you do not participate in Open Enrollment, your annual elections will continue the following year.

Dependent Care FSA and the City's Child Care Programs

If you participate in both the Dependent Care FSA and one of the City's Childcare Programs during the same year, funds you receive from the combined programs in excess of \$5,000 are taxable under IRS guidelines. For instance, if a single parent elected the maximum Dependent Care deduction of \$4,992 and received a \$500 summer camp program scholarship, the parent would be taxed on the \$492 exceeding the limit. If you have questions, call the Employee Benefits Division at 512-974-3284.

Personal Holidays

Upon completion of your six-month probationary period, you are eligible to take two personal holidays each year. If you do not use your personal holidays in the year earned, they cannot be carried over into the following year.

Official Holidays

City holidays for 2021 are listed below. You may be required to work on an official holiday.

Let Texas Vote Day is an optional holiday for City employees and should not impact City services. Employees must request time off for this holiday by submitting a Leave Request Form at least one week in advance of the holiday to their supervisors.

Sick Leave

You earn four hours of sick leave per pay period, based on 24 pay periods annually, as a full-time, regular employee working 40 hours per week. If you are scheduled to work other than a 40-hour work week, you accrue sick leave at a different rate. Civil service employees also accrue sick leave at a different rate.

Sick leave must be earned before it can be used. If you do not use your sick leave, you may carry unused hours forward into the next year. Sick leave may be accrued on an unlimited basis. If you are on sick leave for five work days or more due to your own health condition, a return to work release form must be completed by your health care provider and given to your supervisor before you will be allowed to return to work.

Personal (Vacation) Leave

You may use personal leave for any reason. The amount that you earn depends on how long you have worked continuously for the City and the number of hours you work each week, based on 24 pay periods annually.

The number of hours you earn per pay period as a full-time regular employee working 40 hours per week is listed in the chart to the right. If you are scheduled to work other than a 40-hour work week, you accrue personal leave at a different rate. Civil service employees also accrue personal leave at a different rate.

Years Worked	Hours You Earn
Less than 5	4.34
5 but less than 10	5.34
10 but less than 15	6.00
15 but less than 20	6.67
20 or more	7.67

Maximum accrual is 400 hours.

You should keep in mind a few other things about personal leave:

- You may request personal leave at any time once you have completed your probationary period.
- If you become ill while you are on personal leave, you may request that your personal leave be temporarily stopped and your absence be charged to sick leave.
- Payment of unused personal leave upon resignation or retirement is limited to 240 hours.
- You may use personal leave while on family or medical leave.

Family and Medical Leave (FMLA)

The Family and Medical Leave Act (FMLA) entitles eligible employees to take unpaid, job-protected leave for specific qualifying family, medical, or military support needs with continuation of group health insurance coverage under the same terms and conditions as if the Employee had not taken leave. When requested and approved, appropriate paid and unpaid leave can be used and will count toward the family and medical leave entitlement.

You are eligible for unpaid, job-protected leave under the FMLA if you have been employed with the City for at least 12 months and worked 1,250 hours during the 12 months prior to the commencement of the leave. The 12 months of employment need not be consecutive. For employees who experience a break in service in fulfillment of the Uniformed Services Employment and Reemployment Rights Act (USERRA), the months employed and the hours that were actually worked for the City should be combined with the months and hours that would have been worked during the 12 months prior to the start of the leave requested, had it not been for the military leave.

Eligible employees are entitled to job-protected, unpaid leave in a calendar year, based on the Employee's normal work week, for one or more of the following reasons:

- The birth and care of your newborn child.
- The placement with the employee of a child for adoption or foster care.
- To care for the employee's husband, wife, domestic partner, son, daughter, or parent with a serious health condition.
- A serious health condition that makes the employee unable to perform one or more essential functions of their job.

FMLA (Continued)

Family leave must be taken within 12 months after the birth of a child or the placement of a child for adoption or foster care. FMLA leave may be used before the actual placement or adoption if the absence is required for the placement or foster. Intermittent use of family leave requires approval from the Department Director.

An employee should notify the City at least 30 days prior to a planned medical treatment that requires FMLA leave. If advanced notification is not practical or the reason is unplanned, you must give notice within two business days. Your Department Director may require you to provide satisfactory proof of the proper use of medical leave. If satisfactory proof is not provided, your request for FMLA may be denied.

If you do not wish to continue any or all of your benefits while on family or medical leave, you must contact the Employee Benefits Division and schedule an appointment to complete a Benefits Enrollment Form to drop coverage. If you choose to continue benefits and fail to return from FMLA leave, you may be required to reimburse the City for the City's portion of the benefits premiums paid on your or your dependent's behalf during the unpaid leave.

Parental Leave

Employees in a regularly budgeted position who qualify for FMLA may receive up to 240 hours of paid leave (prorated based on budgeted workweek) for the birth and care of a child, or placement of a child for adoption or foster care during the FMLA period. Documentation for birth, adoption, or foster care must be provided to the FMLA Coordinator before an employee can code the time on the timesheet. Temporary employees and employees who are subject to collective bargaining or meet and confer agreements are not eligible.

Hours Awarded for Parental Leave or Leave Bank	
Budgeted Work Week	Paid Leave Hours
40	240
30 - 39	180
20 - 29	120
Less than 20	60

Leave Bank

Employees who qualify for FMLA and who do not have enough accrued leave to get them through an illness, accident or unexpected FMLA event. Through a donation of accrued sick leave, vacation leave or both, you can become a member of the Leave Bank and can apply for hours based on your budgeted workweek. Membership in the Leave Bank is annual and must be renewed each year during the Benefits Open Enrollment period by donating the required number of hours. There is no limit to the number of hours you can donate to become a member during the enrollment period. A non-member who seeks leave from the Leave Bank, due to an unforeseen FMLA-qualifying event, may enroll to become a member at any time. Temporary employees and employees who are subject to collective bargaining or meet and confer agreements are not eligible.

Employees on Leave of Absence

As a City employee, you may be granted a leave of absence under certain circumstances. All requests for leave of absence must be approved by your Department Director, and requests for leave of more than 30 days must be approved by the City Manager. The maximum total time for which a leave of absence may be granted is one year.

If you are on leave for five or more consecutive work days due to your own health condition, a return to work release form must be completed by your health care provider and given to your supervisor before you will be allowed to return to work.

If you are participating in the Deferred Compensation loan program and you are on an unpaid leave of absence, automatic deductions are not possible. You must contact the Deferred Compensation office to prevent default on your loan.

If you do not wish to continue any or all of your benefits for yourself or your dependents, you must contact the Employee Benefits Division and schedule an appointment to complete a Benefits Enrollment Form to drop coverage. Once you return from leave you must make an appointment to reinstate benefits dropped during a leave of absence. If you choose to continue benefits and fail to return from family or medical leave, you may be required to reimburse the City for the City's portion of the benefits premiums paid on your or your dependent's behalf during the unpaid leave.

If you choose to continue your benefits, you will be responsible for the full cost of premiums, including the City's contribution. If you are on an unpaid leave of absence, automatic deductions are not possible. To make arrangements to pay your benefits premiums, call the Employee Benefits Division at 512-974-3284.

Military Family Leave

Military Caregiver Leave (also known as Covered Service Member Leave)

Eligible employees who are family members of covered service members can take up to 26 work weeks of leave in a “single 12-month period” to care for a covered service member with a serious illness or injury incurred in the line of duty while on active duty. This 26-work-week entitlement is a special provision that extends FMLA job-protected leave beyond the normal 12 weeks of FMLA leave.

Qualifying Exigency Leave

This leave helps families of members of the National Guard, Reserve, and active duty soldiers manage their affairs while the member is on active duty in support of a contingency operation.

Veterans Services Office – Five Star Employer

- Offers mediation services as a link between the employee, the employee’s family, and the department. The confidential services include listening to concerns and complaints, evaluating options, and offering solutions. The program strives to help all service members receive fair and equitable treatment from City, State, and Federal entities.
- Partnerships with community organizations.

City benefits also include the following:

- 15 days of paid military leave per fiscal year.
- Military Pay Supplement Program.
- Veteran’s preference in the City hiring process.

Benefits Tip!

Did you know you the City has a Child Care Assistance Program that you may be eligible for to help with child care expenses?

Workers' Compensation

Workers' Compensation is a program for managing medical treatment and loss of wages if you are injured on-the-job. The City provides this coverage for compensable injuries and illnesses according to state law. Workers' Compensation benefits are provided to you at no cost.

If you are injured on-the-job, you may be eligible for payment of:

- All reasonable and necessary medical treatment.
- 70 or 75 percent of your average weekly wage, depending on your hourly rate.

If you are injured on-the-job, the Departmental Workers' Compensation Representative (DWCR) in your department who is assigned to your case can answer questions about your Workers' Compensation benefits. You must report your claim immediately to your supervisor. Ask your doctor to complete and sign the proper work status form and return it to your DWCR.

For more information, call Risk Management in Human Resources at [512-974-3447](tel:512-974-3447) or your DWCR.

"I had an immediate family member who became ill, and a very specific and very expensive medication was needed, which was not covered by our insurance.

I was able to connect with one of our Human Resources Department Benefits representatives. The rep went out of their way to get approval for the medication my family needed, which allowed me to work my regular shift and not worry about working extra shifts to cover the expense of the medicine. Having great benefits is a plus, but having human resources representatives that will go out of their way to help, you cannot beat that."

You may enroll in the Deferred Compensation Plan or make changes in your deferrals any time during the year. You may also choose from a diverse array of investment options. If you contribute pretax dollars, your account is tax deferred until you withdraw money, usually at retirement. However, you may also contribute post-tax dollars (pay income tax at the time your contributions are made) and your account is tax-free (subject to qualifying conditions) when you withdraw your money. To review and manage your account, call 866-613-6189, or visit dcaustin.com.

Social Security

Social Security pays benefits once you meet certain eligibility requirements when you retire, become disabled, or die. Social Security taxes are paid by you and the City. At the current time, this amount is 6.2 percent for Old Age, Survivors and Disability Insurance (OASDI) and 1.45 percent for Medicare Tax. However, these amounts are subject to any changes made by the United States Congress.

Contributions by firefighters to Social Security may vary, and in some cases, may not be made at all. If you are a firefighter, contact the Austin Fire Fighters Relief and Retirement Fund for more information about your Social Security benefits.

Questions about Social Security benefits may be directed to the Social Security Administration at 800-772-1213, or visit socialsecurity.gov.

Summary of Benefits and Coverage (SBC)

Under the law, insurance companies and group health plans must provide consumers with a concise document detailing, in plain language, simple and consistent information about health plan benefits and coverage. This summary will help consumers better understand the coverage they have and allow them to easily compare different coverage options. It summarizes the key features of the plan and coverage limitations and exceptions. For a copy of the SBC of the City's medical plans, visit austintexas.gov/benefits, or call the Human Resources Department at 512-974-3284.

ADA Compliance

The City is committed to complying with the Americans with Disabilities Act (ADA). Reasonable accommodation, including equal access to communications, will be provided upon request. For more information, call the Human Resources Department at 512-974-3284, use the Relay Texas TTY number 800-735-2989 for assistance, or visit austintexas.gov/ada.

Governing Plan

Your rights are governed by each plan instrument (which may be a plan document, evidence of coverage, certificate of coverage or contract), and not by the information in this Guide. If there is a conflict between the provisions of the plan you selected and this Guide, the terms of the plan govern. City of Austin employees have access to benefits approved by the City Council each year as part of the budget process. The benefits and services offered by the City may be changed or terminated at any time. These benefits are not a guarantee of your employment with the City.

The Health Insurance Portability & Accountability Act of 1996 (HIPAA)

This act imposes the following restrictions on group health plans:

Limitations on pre-existing exclusion periods. Pre-existing conditions can only apply to conditions for which medical advice, diagnosis, care, or treatment was recommended or received during a period beginning six months prior to an individual's enrollment date, and any pre-existing condition exclusion is not permitted to extend for more than 12 months after the enrollment date. Further, a pre-existing condition exclusion period may be reduced by any creditable previous coverage the individual may have had.

Special enrollment. Group health plans must allow certain individuals to enroll upon the occurrence of certain events, including new dependents and loss of other coverage. Loss of coverage includes:

- Termination of employer contributions toward other coverage.
- Moving out of an HMO service area.
- Ceasing to be a "dependent," as defined by the other plan.
- Loss of coverage to a class of similarly situated individuals under the other plan (i.e., part-time employees).

Additionally, individuals entitled to special enrollment must be allowed to enroll in all available benefit package options and to switch to another option if he or she has a spouse or dependent with special enrollment rights.

Prohibitions against discriminating against individual participants and beneficiaries based on health status. Plans may not establish rules for eligibility of any individual to enroll under the terms of the plan based on certain health status-related factors, including health status, medical condition, claims experience, receipt of health care, medical history, genetic information, evidence of insurability, or disability.

Standards relating to benefits for mothers and newborns. Plans must provide for a 48-hour minimum stay for vaginal childbirth, and a 96-hour minimum stay for cesarean childbirth, unless the mother or medical provider shortens this period. No inducements or penalties can be used with the mother or medical provider to circumvent these rules.

Parity in the application of certain limits to mental health benefits. Plans must apply the same annual and lifetime limits (i.e., dollar amounts) that apply to other medical benefits to benefits for mental health. If this requirement results in a 1 percent or more increase in plan costs or premiums, this rule does not apply.

City of Austin Policy on HIPAA

HIPAA gives the City, as the plan sponsor of a non-federal governmental plan, the right to exempt the plan in whole or in part from the requirements described above. The City has decided to formally implement all of these requirements. The effect of this decision as it applies to each of the above requirements is as follows:

- The Plan does not currently have a pre-existing condition limitation and is in compliance.
- The Plan will provide special enrollment periods.
- The Plan will comply with the non-discrimination rules.
- The Plan will comply with the standards for benefits for mothers and newborn children.
- The Plan will comply with the rules on mental health benefits.

The HIPAA Privacy Rules for Health Information were established to provide comprehensive federal protection concerning the privacy of health information. The Privacy Rules generally require the City to take reasonable steps to limit the use, disclosure, and requests for Protected Health Information to the minimum necessary to accomplish the intended purpose. The City is committed to implementing the Privacy Rules.

The Women's Health and Cancer Rights Act of 1998

This law was enacted on October 21, 1998. It provides certain protections for breast cancer patients who elect breast reconstruction in connection with a mastectomy. Specifically, the act requires that health plans cover post-mastectomy reconstructive breast surgery if they provide medical and surgical coverage for mastectomies. Coverage must be provided for:

- Reconstruction of the breast on which the mastectomy has been performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses and physical complications of all stages of mastectomy, including lymph edemas.
- Secondary consultation, whether such consultation is based on a positive or negative initial diagnosis.

The benefits required under the **Women's Health and Cancer Rights Act of 1998** must be provided in a manner determined in consultation with the attending physician and the patient. These benefits are subject to the health plan's regular copays and deductibles.

Patient Protection and Affordable Care Act

As part of the Patient Protection and Affordable Care Act (Health Reform) effective January 2022, medical plans which exceed a threshold level established by the federal government will have to pay a 40 percent excise tax. The City of Austin is committed to designing a medical plan that is below the threshold level. However, if the threshold is reached, the cost of the excise tax will be passed on to employees and retirees.

COBRA

The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, is a federal law that requires employers to offer qualified beneficiaries the opportunity to continue medical coverage, vision coverage, dental coverage, or participation in the Health Care FSA at their own cost in the case of certain qualifying events. Continuation of your life insurance, short term disability, long term disability, Dependent Care FSA, and group legal plan is not available under COBRA.

COBRA Notice Requirements. Each employee or qualified beneficiary is required to notify the Employee Benefits Division of the Human Resources Department within 60 days of a divorce, legal separation, a child no longer meeting the definition of dependent, or entitlement to Medicare benefits. Erisa, the City's COBRA administrator, will then notify all qualified beneficiaries of their rights to enroll in COBRA coverage. Notice to a qualified beneficiary who is the spouse or former spouse of the covered employee is considered proper notification to all other qualified beneficiaries residing with the spouse or former spouse at the time the notification is made.

Continuation of Coverage for Domestic Partners

The City offers covered individuals the opportunity to continue medical coverage, vision coverage, and dental coverage at their own cost in the case of certain qualifying events. Continuation of life insurance is not available under Continuation of Coverage for Domestic Partners.

Each employee or covered individual is required to notify the Employee Benefits Division of the Human Resources Department within 31 days of dissolution of the Domestic Partnership, a child no longer meeting the definition of dependent, or entitlement to Medicare benefits. Erisa, the City's administrator, will then notify all covered individuals of their rights to enroll in Continuation of Coverage for Domestic Partners coverage. Notice to a covered individual who is the Domestic Partner or former Domestic Partner of the covered employee is considered proper notification to all other covered individuals residing with the Domestic Partner or former Domestic Partner at the time the notification is made.

USERRA Continuation of Coverage

The Uniformed Services Employment and Reemployment Rights Act (USERRA) provides that if you are required to be absent from work for a period of time due to voluntary or involuntary military service or training, you have certain reemployment and medical benefits continuation rights during your absence. You and your family members have the opportunity to continue your benefits from the date coverage otherwise would end, provided you pay the premium. However, for absences of less than 31 days, you may continue benefits while paying only your usual share of the cost. When you return to work, no exclusions or waiting periods will apply.

Surviving Dependent Coverage

Your dependent may be eligible for Surviving Dependent medical, dental, and vision coverage only if you meet one of the following requirements and your dependent completes a Surviving Dependent Benefits Enrollment Form within 31 days from the date of your death:

- You are a City retiree under the City of Austin Employees' Retirement System, Austin Fire Fighters Relief and Retirement Fund, or City of Austin Police Retirement System.
- You are an active City employee who is eligible to retire with the City but chose to continue to work for the City.
- You are a City retiree who has returned to active employment with the City.

If eligible, your dependent will be able to continue his or her coverage through the City after your death, provided your dependent was enrolled in a City-sponsored plan at the time of your death. The coverage offered is the same coverage offered to City retirees.

Surviving Family/Work-Related Coverage

If you are killed in the line of duty (your accident must be considered compensable under the City's Workers' Compensation program) while working for the City, your dependents who are enrolled in a City-sponsored medical or dental plan at the time of your death are allowed to continue their coverage, if they complete a Surviving Family Benefits Enrollment Form and pay the premium within 90 days from the date of your death. The City will continue to subsidize the premium.

Surviving Family/Work-Related Coverage is not available to active employees who are also City retirees who have returned to work for the City and have declined active employee benefits. The City will notify your surviving dependents of their eligibility for Surviving Family/Work-Related Coverage.

For more information or to receive a Surviving Family/Work-Related Benefits Guide, call the Employee Benefits Division at 512-974-3284.

Your Prescription Drug Coverage and Medicare

Beneficiary Creditable Coverage Disclosure Notice

This notice has information about your current prescription drug coverage with the City of Austin and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining a Medicare drug plan, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in this area. There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. On January 1, 2006, new prescription drug coverage became available to individuals with Medicare Part A. This coverage is available through Medicare prescription drug plans, also referred to as Medicare Part D. All such plans provide a standard, minimum level of coverage established by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The City of Austin has determined that prescription drug coverage offered through City health plans is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

Other Important Considerations

- If you currently have prescription drug coverage through a City health plan, you may choose to enroll in Medicare Part D annually between October 15 and December 7, or when you first become eligible for Medicare Part D.
- If you decide to join a Medicare drug plan, your current City of Austin medical coverage will not be affected.
- If you do decide to join a Medicare drug plan and drop your current City of Austin coverage for your dependents, you may be able to get this coverage back during an Open Enrollment period.
- You should also know that if you drop or lose your current coverage with the City of Austin and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least one percent of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without Creditable Coverage, your premium may consistently be at least 19 percent higher than the Medicare base beneficiary premium.
- You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
- If you are enrolled in Medicare Part D or a Medicare Advantage Plan and are also enrolled in the City health plan, you may have duplicate prescription coverage. If you would like to review your coverage or for more information, call the Employee Benefits Division of the Human Resources Department at [512-974-3284](tel:512-974-3284).

Health Insurance Marketplace

PART A: General Information

The Health Insurance Marketplace is a new way to purchase health insurance in the United States. As you evaluate health insurance options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer, the City of Austin.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October for coverage starting as early as January 1.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

Regular full-time employees will not experience savings because the City pays the entire premium for the CDHP and the majority of the PPO and HMO premium. Part-time employees may realize savings by going to the Marketplace.

Temporary employees with less than 12 months of service are not eligible for City-provided medical coverage. Temporary employees and their dependents can purchase health insurance through the Health Insurance Marketplace, designed to provide affordable health insurance.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. The City of Austin offers coverage that meets government standards. If you are in a regular budgeted position and work full-time, you will not be eligible for a tax credit at the Marketplace.

If you are in a regular budgeted position working part-time, and the premium you would pay for the City’s lowest cost medical plan (Employee Only) is more than 9.5 percent of your household income for the year, you may be eligible for a tax credit at the Marketplace. If you are a temporary employee, and therefore not eligible for medical coverage under a City medical plan, you are eligible for medical coverage through the Marketplace and may also qualify for a tax credit.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by the City of Austin, then you may lose the City’s contribution (if any) to the employer-offered coverage. Also, the City’s contribution as well as your employee contribution to City offered coverage is usually excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by the City of Austin, review this guide, or visit austintexas.gov/benefits for your summary plan description, or call the Human Resources Department at 512-974-3284.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit healthcare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

Notice to Enrollees in a self-funded nonfederal governmental group health plan for plan years beginning on or after September 23, 2010

Group Health plans sponsored by State and local governmental employers must generally comply with Federal law requirements in title XXVII of the Public Health Service Act. However, employers are permitted to elect to exempt a plan from the requirements listed below for any part of the plan that is “self-funded” by the employer, rather than provided through a health insurance policy. The City of Austin has elected to exempt the City’s medical plans of the following requirements:

1. Parity in the application of certain limits to mental health benefits. Limit coverage for Applied Behavior Analysis treatment to 170 visits each year for individuals diagnosed with autism.
2. The exemption from these Federal requirements will be in effect for the 2021 plan year beginning January 1, 2021 and ending December 31, 2021. The election will be renewed for subsequent plan years.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP in Texas, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, call your State Medicaid or CHIP office or call *1-877-KIDS NOW* or visit insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance.

You may be eligible for assistance paying your employer health plan premiums. The following is current as of January 31, 2021. For more information on eligibility visit gethipptexas.com/ or call 877-440-0493.

To see if any other states have added a premium assistance program since January 31, 2021, or for more information on special enrollment rights, contact:
