

Commuter Program

As part of the Clean Air Initiative, the City has an agreement with Capital Metro for the following benefits:

Bus and Rail Services

City employees can ride any Capital Metro bus or train for free using a transit pass. These passes are available from your department's HR representative. Employees must commit to riding the bus or train on a regular basis. Visit capmetro.org and use the online Trip Planner to learn the easiest and fastest way to commute.

RideShare Vanpools

City employees can also take advantage of Capital Metro's vanpool services. Call *512-477-RIDE (7433)* and get matched to a vanpool operating between your home and work location. Employees also have the option of forming their own vanpool.

MetroAccess – Paratransit Services

The MetroAccess program serves employees with disabilities by providing shared-ride, door-to-door public transportation service for free. For more information, call Capital Metro at *512-474-1200*.

New "Pickup" On-Demand Transit Service

Introducing Pickup! A new on demand shared-ride service offered by Capital Metro. This service allows employees with current City of Austin transit passes to be picked up from their home and taken anywhere within the Pickup service area. Pickup currently operates in five service zones (Manor, East ATX, Northeast ATX, Walnut Creek, and Exposition). For more information, visit capmetro.org/pickup.
