ESB-MACC invites you to participate in our annual Day of the Dead (Dia de los Muertos) celebration by displaying your custom or classic car or bike. This colorful community event grows every year, and it continues to provide an opportunity to celebrate Latino culture. Dia de los Muertos is an indigenous Mexican holiday that celebrates the life cycle through the building of temporary altars to commemorate loved ones who have passed. Display your pride and car or bicycle this year, for this year's Show and Shine.
