ORDER

On March 6, 2020, a Declaration of Local Disaster was issued to allow the City of Austin to take measures to reduce the possibility of exposure to COVID-19 and promote the health and safety of Austin residents.

Due to unique characteristics and risks associated with the South by Southwest Conference and Festival (SXSW), such as transmission dynamics for the variety of venues, the likely spread of the disease based on factors of social distancing, the clinical severity of COVID-19, the lack of vaccine or antivirals as treatment options, the crowd density at each venue, the inability to ensure social distancing and to prevent close contact among attendees, the added impact of non-registrants that participate in various events and their unknown health and previous exposure to COVID-19, the number of registrants and unknown attendees coming from affected countries and states, and the duration and mode of travel of attendees during this festival, and pursuant to my authority under Texas Government Code Chapter 418 and Austin City Code Section 2-6-23 (Emergency Management for Local Disaster), I, Mayor of the City of Austin, hereby issue this order:

South by Southwest Conference and Festival (SXSW) organizers are prohibited from holding their annual conference, festival, and exhibition in the City of Austin.

ORDERED this the 6th day of March, 2020, in the City of Austin, Travis County, Texas, in witness whereof I subscribe my name and cause to be affixed the seal of the City of Austin.

Mayor, City of Austin

Filed with me, the City Clerk of the City of Austin, this 6 day of March, 2020, by Mayor Steve Adler, whose signature I hereby attest under my hand and the seal of the City of Austin.
