If you have pharmacy benefit coverage with UnitedHealthcare, you may learn more about your benefit by visiting myuhc.com® or by calling the toll-free member phone number on your ID card. If you are not currently enrolled with UnitedHealthcare for pharmacy benefit coverage, you may access myuhc.com for additional information during your open enrollment period or you may contact your employer or health plan for additional information.

Medications are categorized by common therapeutic conditions in this reference guide for ease of reference only. These categories do not determine coverage for the medication for your condition. Your benefit plan determines how these medications may be covered for you.

Where differences are noted between this reference guide and your benefit plan documents, the benefit plan documents will govern.

*Coverage is provided for oral formulations.

Bold type = Brand name drug [Plain type = Generic drug]

Clinical programs such as Notification/Prior Authorization, Step Therapy and Supply Limits may apply to listed medications based off your benefit plan.

This list is intended as a reference and may not be all-inclusive. Brand or generic availability may not be current due to changes in the market. The list will be updated annually.
