

## 2017 Annual Community Events

Neighborhood and community meetings were not included in the list. This list is not final it is an annual overview of the events that code will attend. There may be additional events added to the list as we move forward. If you are aware of events occurring in your districts please email [Tasha.Rhodes@austintexas.gov](mailto:Tasha.Rhodes@austintexas.gov) so that I can add to this list and we'll have a better outlook of events coming up for the year.
