Section 8: Authorization

- I understand that in accordance with Sections 25-1-411 and 25-11-66 of the Land Development Code (LDC), non-compliance with the LDC may be cause for the Building Official to suspend or revoke a permit and/or license.
- I further understand that no portion of any roof structure may overhang in any easement. I acknowledge that customer will bear the expense of any necessary relocation of existing utilities to clear this driveway location and/or the cost to repair any damage to existing utilities caused during construction. Water meters, water services, and wastewater services are not permitted within or beneath sidewalks. Private plumbing appurtenances will not be located in public right-of-way or public easements. Private plumbing will not cross lot lines.
- I agree that this application is good for twelve (12) months after the date it is filed, and will expire if not approved for compliance within that time frame. If the application expires, a new submittal will be required and compliance with current code may be required.
- I hereby certify that to the best of my knowledge and ability, the information provided in this application is complete and accurate.
- I further acknowledge that, should any information contained herein prove incorrect, the building official may suspend or revoke any resulting permit and/or license.
- Erosion and Sedimentation Controls are required per Section 25-8-181 of the LDC. Failure to comply with this requirement may result in a Stop Work Order and/or legal action by the City of Austin including criminal charges and fines of up to \$2,000.00 per day.
- I acknowledge if my plans are subject to a technical review, it will not be construed to be a permit for, or an approval of any violation of any of the provisions of the currently adopted building codes or another ordinance of the City of Austin.
- I am authorized by the record owner to act as the applicant and to apply for and acquire a permit on behalf of the record owner.
- I have checked for any property-specific information that may affect the review and/or construction of this project, including but not limited to: any subdivision notes, deed restrictions, restrictive covenants, zoning conditional overlays, and/or other requirements specific to proposed development on this property (collectively, the "Property Information"), located at _____.

- I understand that the review of this project by the City of Austin will not include a review of any private restrictive covenants or deed restrictions that may apply to this property.
- I am responsible for any conflicts between the Property Information and the request submitted to the City of Austin. I further acknowledge that I understand the implications of use and/or development restrictions that are a result of the Property Information. Additionally, I understand that the issuance of a City permit for this project does not affect the enforceability of any private restrictive covenants applicable to the property.
- I understand that if requested I must provide copies of any and all of the Property Information that may apply to this property
