

# ePLAN Review

City of Austin

## What is ePlan Review?

ePlan Review eliminates paper plan submittals and provides an online hub for applicants and City reviewers to communicate and collaborate simultaneously.

## What are the Customer Benefits of ePlan?

- Reduces travel time to One Texas Center
- Allows plan uploads from anywhere, anytime
- Improves turnaround times and accuracy with collaborative reviewing
- Reduces paper, printing, fuel, storage, and disposal costs

## When Can You Start Using ePlan Review?

ePlan Review is being implemented in phases, building gradually on the discipline and application types accepted, with full implementation scheduled for late 2016.

Target deployment dates:

- Commercial Buildings – Summer 2016
- Residential Buildings – Summer 2016
- Site Plan & Subdivision – Fall 2016

## Community Training and Resources

Monthly seminars and webinars are now available, along with helpful resources including videos, an applicant handbook, quick reference sheets, and an online helpdesk/web chat for technical questions.
