

Austin Fire Department
Travis County
Neighborhood Meeting
July 26, 2018

-  Area of Consideration
-  Existing Fire/EMS Station
-  City of Austin (full purpose)
-  Outside City of Austin (ETJ, Sunset Valley)

Fire/EMS Station Goals

- Improve response into Travis County area/neighborhood
- Be a good addition to both AFD & EMS system
 - Access to major Roadways
 - Multiple access points to area
- Be operational as soon as possible (goal is 2 years)
- Have the ability to house an Engine, Ambulance, Battalion Chief, and EMS Commander

Map is for general use only

Purpose of map is to help with general location of possible fire station site and to inspire discussion with neighborhood. Not reflective of final fire station location or what property is currently available.
