ARTICLES OF INCORPORATION OF AUSTIN COMMUNITY LAND TRUST

In the Office of the Secretary of State of Texas

NOV 3 0 2005

Corporations Section

I, the undersigned natural person of the age of eighteen (18) years or more, a citizen of the State of Texas, acting as the incorporator of a Corporation under the Texas Non-Profit Corporation Act, do hereby adopt the following Articles of Incorporation for such Corporation:

ARTICLE I

The name of the Corporation is Austin Community Land Trust.

ARTICLE II

The Corporation is a corporation not organized for profit and shall have all of the powers, duties, authorizations and responsibilities as provided in the Texas Non-Profit Corporation Act (the "Act"); provided, however, the Corporation shall neither have nor exercise any power, nor shall it engage directly or indirectly in any activity, that would invalidate its status as a corporation that is exempt from federal income taxation as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, or corresponding provisions of any subsequent federal tax law (the "Code"), or as a corporation contributions to which are deductible under Section 170(a)(1) of the Code by virtue of being charitable contributions as defined in Section 170(c)(2) of the Code.

ARTICLE III

The period of the Corporation's duration is perpetual.

ARTICLE IV

The objects and purposes for which the corporation is organized are exclusively charitable within the meaning of Section 501(c)(3) of the Code, being more particularly that

- (1) The corporation is organized and shall be operated exclusively for the benefit of PeopleFund, an organization described in Section 170(b)(1)(A) of the Code (other than in clauses vii and viii thereof) by sustaining the affordability, heritage and economic vitality of Austin and Central Texas neighborhoods; and
- (2) To engage in any and all lawful activities incidental to the foregoing purposes, except as otherwise restricted herein.

ARTICLE V

The street address of the initial registered office of the Corporation is 207 Chambers Avenue, Austin, Texas 78702 and the name of its initial registered agent at such address is Margo Weisz.

ARTICLE VI

The number of Directors constituting the initial Board of Directors of the Corporation is three (3). The names and addresses of the persons who are to serve as the initial Directors are:

Name

Address

Michael L. Cook

401 Congress Avenue, Suite 2500 Austin, Texas 78701

Margo Weisz

207 Chalmers Avenue Austin, Texas 78702

Jim Walker

5930 Middle Fiskville Road Austin, Texas 78752

The full and complete management and control of the Corporation shall be vested in the Board of Directors, the number of which shall be subject to change from time to time as provided in the bylaws. At all times, these Directors will remain "volunteers" as that term is defined in Section 84.003(2) of the Act. The Corporation is not empowered to do anything that would change the Directors' "volunteer" status.

ARTICLE VII

The Corporation shall indemnify any person who was, is, or is threatened to be made a named defendant or respondent in a proceeding (as hereinafter defined) because the person (i) is or was a Director or officer of the Corporation or (ii) while a Director or officer of the Corporation, is or was serving at the request of the Corporation as a trustee, officer, partner, venturer, proprietor, Director, employee, agent, or similar functionary of another foreign or domestic corporation, partnership, joint venture, sole proprietorship, trust, employee benefit plan, or other enterprise, to the fullest extent that a corporation may grant indemnification to a Director under the Texas Non-Profit Corporation Act, as the same exists or may hereafter be amended. Such right shall be a contract right and shall include the right to be paid by the Corporation expenses incurred in defending any such proceeding in advance of its final disposition to the maximum extent permitted under the Texas Non-Profit Corporation Act, as the same exists or may hereafter be amended. If a claim for indemnification or advancement of expenses hereunder is not paid in full by the Corporation within ninety (90) days after a written claim has been received by the Corporation, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim, and if successful in whole or in part, the claimant shall be entitled to be paid also the expenses of prosecuting such claim. It shall be a defense to any such action that such indemnification or advancement of costs of defense is not permitted under the Texas Non-Profit Corporation Act, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors or any committee thereof, or special legal counsel, if any) to have made its

determination prior to the commencement of such action that indemnification of, or advancement of costs of defense to, the claimant is permissible in the circumstances nor an actual determination by the Corporation (including its Board of Directors or any committee thereof, or special legal counsel, if any) that such indemnification or advancement is not permissible shall be a defense to the action or create a presumption that such indemnification or advancement is not permissible. In the event of the death of any person having a right of indemnification under the foregoing provisions, such right shall inure to the benefit of his heirs, executors, administrators, and personal representatives. The rights conferred above shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, or bylaw, resolution of Directors, if any, agreement, or otherwise. To the extent permitted by then applicable law, the grant of mandatory indemnification to any person pursuant to this article shall extend to proceedings involving the negligence of such persons. The Corporation may additionally indemnify any person covered by the grant of mandatory indemnification contained above to such further extent as is permitted by law and may indemnify any other person to the fullest extent permitted by law. The Corporation may purchase and maintain insurance on behalf of any person who is serving the Corporation (or another entity at the request of the Corporation) against any liability asserted against him and incurred by him in such a capacity or arising out of his status as such a person, whether or not the Corporation would have the power to indemnify him against that liability under this Article or by statute. Notwithstanding the foregoing, no person shall be indemnified pursuant to the provisions of this Article and no insurance may be maintained on behalf of any person if such indemnification or maintenance of insurance would subject the Corporation or such person to income or excise tax under the Code, including any tax asserted under Chapter 42 of the Code. As used herein, the term "proceeding" means any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, arbitrative, or investigative, any appeal in such an action, suit, or proceeding, and any inquiry or investigation that could lead to such an action, suit, or proceeding.

ARTICLE VIII

To the fullest extent permitted by applicable law, no Director of the Corporation shall be liable to the Corporation for monetary damages for an act or omission in such Director's capacity as a Director of the Corporation, except that this paragraph shall not eliminate or limit the liability of a Director of the Corporation to the extent the Director is found liable for:

- a breach of such Director's duty of loyalty to the Corporation;
- (2) an act or omission not in good faith that constitutes a breach of duty of the Director to the Corporation or an act or omission that involves intentional misconduct or a knowing violation of the law;
- (3) a transaction from which such Director received an improper benefit, whether or not the benefit resulted from an action taken within the scope of such Director's office; or
- (4) an act or omission for which the liability of such Director is expressly provided for by statute.

Any repeal or amendment of this paragraph by the Corporation shall be prospective only, and shall not adversely affect any limitation on the personal liability of a Director of the

Corporation existing at the time of such repeal or amendment. In addition to the circumstances in which a Director of the Corporation is not personally liable as set forth in the foregoing provisions, a Director shall not be liable to the Corporation to such further extent as permitted by any law hereafter enacted, including without limitation, any subsequent amendments of the Texas Miscellaneous Corporation Laws Act or the Texas Non-Profit Corporation Act.

ARTICLE IX

The power to adopt, alter, amend or repeal the bylaws of the Corporation shall be vested in its board of Directors.

ARTICLE X

No part of the net earnings of the Corporation shall inure to the benefit of, or be distributable to, its Directors, officers or other private persons, except that the Corporation shall be authorized and empowered to pay reasonable compensation for services rendered to or for the Corporation affecting one or more of its purposes.

ARTICLE XI

No substantial part of the activities of the Corporation shall be the carrying on of propaganda or otherwise attempting to influence legislation, and the Corporation shall not participate in or intervene in (including the publishing or distribution of statements) any political campaign on behalf of (or in opposition to) any candidate for public office.

ARTICLE XII

In the event the Corporation shall ever be a private foundation for federal income tax purposes, the following provisions shall apply:

- (1) The Corporation will distribute its income for each tax year at such time and in such manner as not to become subject to the tax on undistributed income imposed by Section 4942 of the Code, or the corresponding section of any future federal tax code.
- (2) The Corporation will not engage in any act of self-dealing as defined in Section 4941(d) of the Code, or the corresponding section of any future federal tax code.
- (3) The Corporation will not retain any excess business holdings as defined in Section 4943(c) of the Code, or the corresponding section of any future federal tax code.

- (5) The Corporation will not make any taxable expenditures as defined in Section 4945(d) of the Code, or the corresponding section of any future federal tax code.

ARTICLE XIII

Upon the dissolution of the Corporation, the board of Directors shall, after paying or making provision for payment of all of the liabilities of the Corporation, distribute all of the assets of the Corporation to PeopleFund. In the event that PeopleFund does not exist at the time of the dissolution of the Corporation, the assets of the Corporation (after full payment of its liabilities) shall be distributed to The Austin Community Foundation so long as it exists and is exempt from taxation under Section 501(c)(3) of the Code at the time of the dissolution of the Corporation and if not to the City of Austin, Texas. Any of such assets not so disposed of shall be disposed of by the Probate Court of Travis County, Texas or to such eligible organization or organizations as said court shall determine. For purposes of this article, "eligible organization" or "eligible organization or organizations" shall refer to an organization or organizations exempt from federal income taxation as an organization described in Section 501(c)(3) of the Code or as a corporation contributions to which are deductible under Section 170(a)(1) of the Code by virtue of being charitable contributions as defined in Section 170(c)(2) of the Code.

RE:

Use of Corporate Name "Austin PeopleTrust", pursuant to Sections 31.005 and 181.004 of the Texas

Finance Code

Dear Mr. Cook:

This letter is in response to your letter dated September 27, 2007, and subsequent correspondence, regarding the proposed use of the captioned corporate name. According to your request, Austin Community Land Trust, a Texas non-profit corporation, is changing its name to Austin PeopleTrust. The new name will be more descriptive of the purpose of the entity, which is to preserve land to help people by sustaining the affordability, heritage and economic vitality of Austin and Central Texas neighborhoods.

Generally, we will grant a request for a letter of no objection for use of a term identified in Sections 31.005 and 181.004(a) of the Texas Finance Code (the "Code") if in context the term is not otherwise misleading and is used as a term of art in a manner and context that clearly invokes an established secondary meaning. We have reviewed your request and determined that the name as proposed does not appear to be prohibited by Sections 31.005 and 181.004(a) of the Code. Therefore, we do not object to the use of the captioned corporate name.

The review of your request is based upon the information provided to this office taken as a whole, including commitments given in support of the request. Any variation in the presentation or usage of a name, such as the use of part of the whole name requested, may be objectionable to this office. Should it be determined by this office that the actual usage of a name is prohibited the appropriate steps will be taken to fully enforce the Code.

This expression of no objection does not obligate the Secretary of State of the State of Texas to approve such name. This determination does not authorize the use of such name contrary to any state or federal law.

Sincerely,

Lynda Drake

Question 3: Project Descriptiona. Floor Plans

- b. Opportunity Map

RIVERSIDE VILLAS PROJECT DESCRIPTION

The Riverside Villas project will consist of approximately 89 single family units at the intersection of East Riverside Drive and Faro Boulevard, which is in a redeveloping part of Austin located adjacent to a transit Hub on a core transit corridor making it a moderate opportunity area for housing according to the City of Austin's Comprehensive Opportunity Map. This development is located in proximity to good schools, retail and services, research and development facilities, and near-by Cap Metro bus stops. The surrounding schools include Baty Elementary, Martin Middle School, and Eastside Memorial HS at Johnston.

Approval of this application will provide nine (9) single family detached homes to homebuyers earning 80% MFI or below. All of the 9 homes will be built to S.M.A.R.T. Housing standards. Home sales are expected to begin late 1st quarter of 2012. The project is vacant land, and the homes will be new construction; relocation is not required. In Phase I & II of this project, PeopleTrust will buydown the sales price of the homes through the affordable homes program of the Riverside Villas affordable homes re-development.

Site design is complete and development construction will begin November 2011 and estimated to be completed in October 2012. Riverside Villas development includes a partnership between PeopleTrust and master developer, Riverside Austin Holdings LLC. Riverside Austin Holdings LLC will partner with Milestone Community Builders, a successful local Austin home building company, to complete the community. The management team for Milestone Community Builders has over 30 years combined experience in home building and real estate development and has been responsible for the developed and construction of more than 2,500 lots and homes over their years in the business.

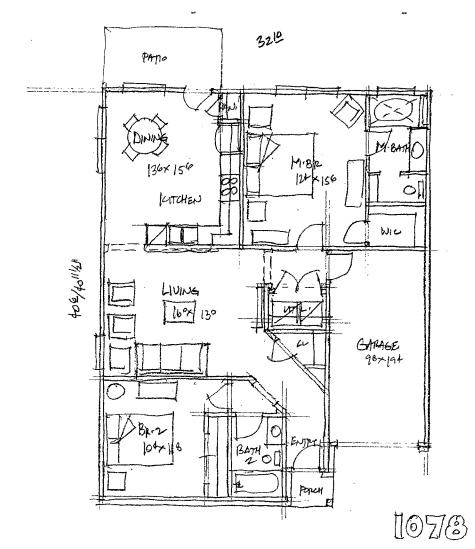

The property is currently zoned LO-MU-CO-NP and will support 9 units of affordable detached housing. Similar developments exist in the neighborhood. These homes are for all intents and purposes single family dwellings type of detached product development will provide a more affordable option for working families. To the best of our knowledge, the property is compatible with the current neighborhood plan.

The units will be detached, single family dwelling units with flexible floorplans ranging from approximately 1100-1300 square feet and include attached single and double car garages. (See Attached Floor Plans). PeopleTrust will acquire five (5) units in Phase I and four (4) units in Phase II. PeopleTrust has made floor plan selections that will meet the requirements of the City of Austin's visitibility standards and provide the most livable space for the future owners of these homes.

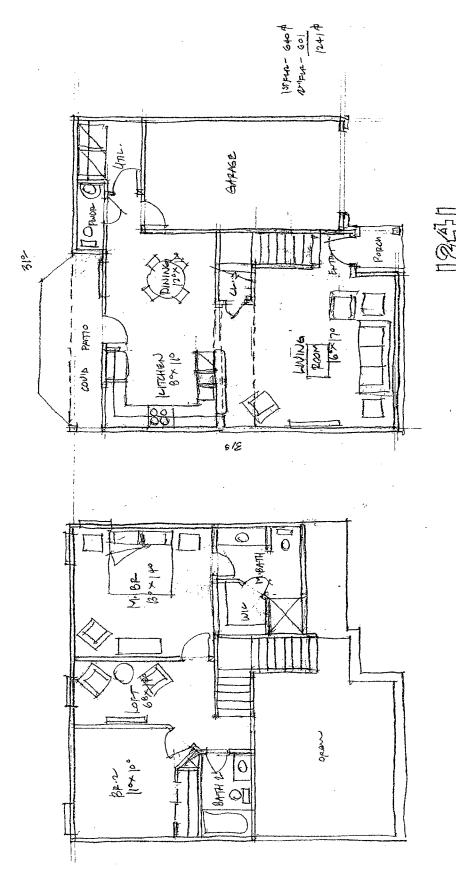

The total project cost is estimated to be \$1,529,910 with \$22,500 for soft costs. The homes will have a market price of \$169,990. Proposed funding from AHFC includes: \$310,500 in acquisition funding to buy-down the sales price and provide affordable homes to families earning 80% or below of the median family income. The remaining funds will be provided by MileStone Community Builders, LLC. All funding will be verified, as required by the City of Austin.

PeopleTrust will administer and manage the Shared Equity Homeownership Program for this development, in order to achieve long-term affordability. PeopleTrust will serve as the compliance

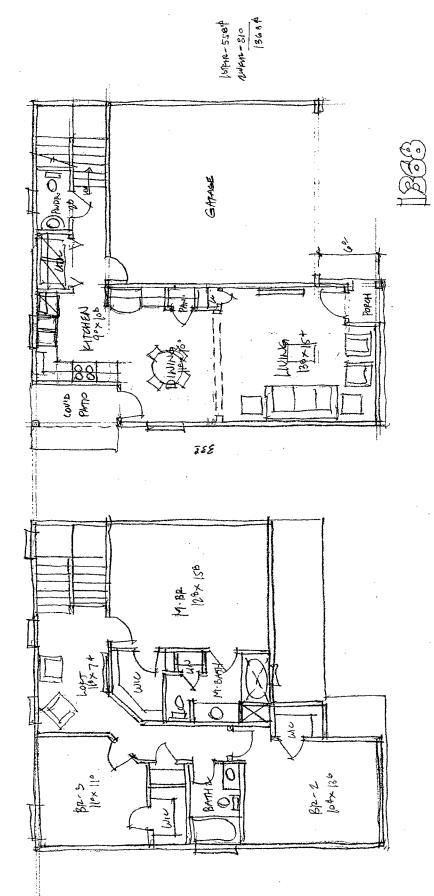

agent to insure income eligible families occupy the units. PeopleTrust will also manage re-sales to ensure another income eligible family is able to purchase these units. We are committed to providing long-term affordable homeownership through a Shared Equity Model to achieve 99-year affordability. PeopleTrust will partner with Austin Habit for Humanity to provide homebuyer counseling for our homebuyers.

Project Description:

The project will consist of 89 single family dwelling units enclosed in a gated community with large mature trees, and several large green space areas throughout the community. The type of architecture that will be built in the community is pictured below.

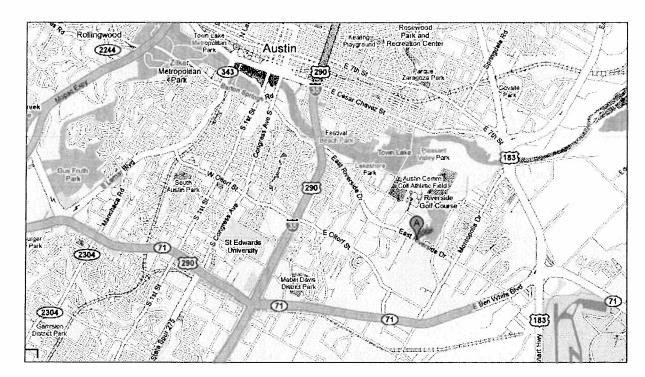

The product will have general market appeal, but will be geared toward our projected buyer profile, which includes singles, dual income no children couples, and a limited number of retirees and empty nesters, all seeking close proximity to downtown and the associated downtown lifestyle.

The Environment:

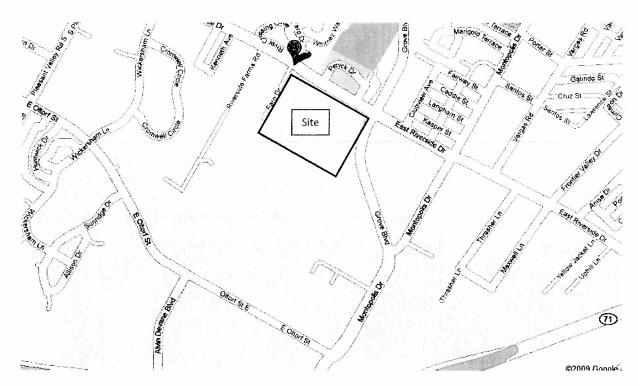

The immediate area surrounding the Riverside Villas community includes the following adjoining uses: Baty Elementary School, a Fire Station, and a sprawling research and development facility owned by Tokyo Electron in addition to a vacant parcel and a well maintained townhome project located north of the project across Riverside Drive. One of the strengths of the site is the Riverside drive frontage — more than 40,000 car trips per day pass in front of the site, which will help drive awareness of the project.

The broader submarket within Austin is known as the Riverside Drive corridor, which is experiencing a high degree of growth including mixed use retail and residential uses renovated and ground up retail projects, and even the prospect of a light rail commuter train at some point in the future.

Single Family projects located in the Riverside/East Austin submarket include:

- Edgewick (Wes Peoples Homes, currently selling) Sales prices range from \$150k to \$250k with square footages ranging from 835 to 1650 sq. ft. Edgewick is a project without a marketing window, located off of Parker lane with no major traffic arterials around it, nevertheless, they managed to sell approximately 14 homes last year at sales price
- The Grove (Independent Small Builder, currently selling through realtor program) Sales prices range from \$139k to \$189k with square footages ranging from 907 to 1,415 sq. ft.
- MLS Data for re-sale pricing on older homes in the area (from 1947 to 2010) shows an average sq. ft. of 1495 sq. ft. and an average price of \$151,581.
- **Centex's Riverside Meadows** (complete) previous sales prices from \$120k to \$180k (between 2005 and 2007) sales pace 10-20 units per month.

(See attached Market Chart)

In the near term (currently under construction or completed) the following projects are contributing the vibrancy of the Riverside Drive area:

- The Amli mixed use complex with rents ranging from \$1.60 to as high at \$2.30 psf and an abundance of retail on the ground floor (complete).
- Cypress Real Estate Advisors is kicking off its latest project lakeshore South (below), which will include more than 780 apartments and townhome units in a large sprawling complex located on the shores of Ladybird Lake.
- A variety of small and large retail developments including a new HEB store, restaurants and upscale bars that are helping to gentrify the surrounding area and make it suitable for middle class living.

With 89 single family dwelling units at prices substantially below market the Riverside Villas project will be a success similar to the recent and current competing projects in the submarket.

- Negotiated with the city to allow a median cut, and avoided the use of a mandatory joint access agreement with an adjacent apartment complex.

Pleasant Valley Neighborhood Association Ms. Barb Fox 1615 Whitney Way Austin, Texas 78741

Dear Ms. Fox:

PeopleTrust is a 501(c)(3) non-profit housing organization that provides affordable homeownership for working families. With median home sales prices in Austin of \$191,700, homeownership is simply out of reach for many working families. Our homeowners have good credit and must qualify for a home mortgage from a private lender. We serve families who are 80% or below median family income or incomes of \$59,900 annually for a family of four.

PeopleTrust has successfully closed 162 affordable homes at Mueller, and we are working on developing affordable homeownership opportunities in other communities across Austin, including Riverside Villas.

We have applied for General Obligation Housing Bond funding from the City of Austin, in order to acquire and develop the tract of land located at 5401 East Riverside Drive. We plan on offering quality, new homes that meet green building standards.

We are requesting a letter from your neighborhood organization supporting this opportunity. I am happy to meet with you or to attend a neighborhood meeting to provide more information about our organization and this development.

Please do not hesitate to contact me, if you have any questions.

Sincerely,

Ramon g. Valeriano V.P. Client Services
