PART 84--GRANTS AND AGREEMENTS WITH INSTITUTIONS OF HIGHER EDUCATION, HOSPITALS, AND OTHER NON-PROFIT ORGANIZATIONS--Table of Contents

Subpart C--Post-Award Requirements

Sec. 84.21 Standards for financial management systems.

- (a) HUD shall require recipients to relate financial data to performance data and develop unit cost information whenever practical.
- (b) Recipients' financial management systems shall provide for the following:
  - (1) Accurate, current and complete disclosure of the financial results of each federally-sponsored project or program in accordance with the reporting requirements set forth in Sec. 84.52. If a recipient maintains its records on other than an accrual basis, the recipient shall not be required to establish an accrual accounting system. These recipients may develop such accrual data for their reports on the basis of an analysis of the documentation on hand.
  - (2) Records that identify adequately the source and application of funds for federally-sponsored activities. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.
  - (3) Effective control over and accountability for all funds, property and other assets. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.
  - (4) Comparison of outlays with budget amounts for each award. Whenever appropriate, financial information should be related to performance and unit cost data.

  - (6) Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.
  - (7) Accounting records including cost accounting records that are supported by source documentation.
- (c) Where the Federal Government guarantees or insures the repayment of money borrowed by the recipient, HUD, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.
- (d) HUD may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government's interest.
- (e) Where bonds are required in the situations described above, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, "Surety Companies Doing Business with the United States."

#### ATTACHMENT D TO CHDO CERTIFICATION APPLICATION

# Austin Housing Finance Corporation Community Housing Development Organization CERTIFICATION POLICY

In order to be certified as a Community Housing Development Organization (CHDO), an organization must meet the minimum certification criteria as required by the U.S. Department of Housing and Urban Development. Additionally, the organization must comply with the following policies in order to receive CHDO certification from the City of Austin Housing Department.

#### NO DISTRIBUTIONS

An applicant organization's charter or the articles of incorporation must specify that no net earnings of the corporation can inure to the benefit of any member, founder, contributor or individual. All net income must be reinvested in the projects developed by the organization or in subsequent affordable housing projects.

#### **BOARD COMPENSATION**

Board members may receive a reasonable fixed sum and expenses for each board meeting he/she attends. However, board members cannot receive a salary for their service as a board member. In order for the Housing Department to verify the reasonableness of compensation, CHDO applicants are required to submit all financial statements and, upon request, any other documents necessary for the Housing Department to verify the amount of compensation provided to board members and the services for which the sum was paid.

#### SPONSORSHIP OR CREATION BY A RELIGIOUS ORGANIZATION

A religious organization cannot become a CHDO, but can create a wholly secular nonprofit housing organization. The sponsoring organization can appoint an unlimited number of board members to the board of the housing organization. Beyond that, however, the housing organization cannot be controlled by the religiously-based sponsor organization. That is, the housing organization must be free to select its projects, to procure its goods, services and financing, and to otherwise operate the organization without influence or intervention by the religiously based sponsor. Additionally, the housing developed by the housing organization must be made available to all persons, regardless of religious belief or affiliation. The **by-laws** of the housing organization must include language that ensures compliance with all of the above requirements.

#### REPRESENTATIONS AND WARRANTIES

Any applicant who submits fabricated information, documentation or signatures as part of or along with its CHDO application, or any applicant who misrepresents any aspect of the board, staff or organizational accomplishments, experience or expertise shall be disqualified from the CHDO certification process for a period of one (1) year. The one-year disqualification period will begin at the time the misrepresentation is made by the Housing Department and is reported in writing by the Housing Department staff to the applicant organization. If an applicant believes the Housing Department determination of misrepresentation is in error, the applicant organization may appeal the decision in writing to the Director of the Housing Department.

#### **AUDIT**

The Housing Department requires that your organization submit audited financial statements for the organization's most recent program year. If your organization does not have audited financial statements because it has been operating for less than one year, you must submit the audited financial statements of the parent or sponsor organization, along with your organization's current unaudited financial statements. No nonprofit organization shall be certified as a CHDO if the organization's most recent audit has an outstanding finding, material weakness or other unresolved matter which would prevent the Housing Department from certifying the capacity of that organization to successfully develop a CHDO project. The audit will also be used in assessing the organization's financial capacity for executing the affordable housing activities it intends to pursue.

#### **VERIFICATION OF COMPLIANCE WITH BYLAWS**

As part of the certification process, the Housing Department may do all necessary due diligence to verify that the operations of an applicant organization are being conducted in keeping with the by-laws submitted in the CHDO Certification application.
