

# SCHOOL PROGRAMS

The Austin Nature & Science Center School Programs are offered for Pre-K through 5<sup>th</sup> grade students. We host programs on our site, at Beverly Sheffield Education Center (Splash!), at Pease Park, and we can even bring some of our programs to your campus!

We will have the updated Brochure for the 2019-2020 school year up on **August 9<sup>th</sup>, 2019**. In the meantime, please explore the prices, program descriptions and locations for the programs offered in the 2018-2019 school year which can be found on our [Online Brochure](#). See a name of a program you want to know more about? Click the name and jump to the description!

We are excited to be streamlining program registration for the upcoming school year! The new registration process will be entirely online and program availability will be automatically updated as programs are booked. There will be zero wait time before you know if your program was scheduled! Along with our program brochure, there will also be a calendar published with the days and times certain programs will be offered.

Program Registration will open on **August 27<sup>th</sup>, 2019**.
