Youth Arts Safari

Join youth from all over Austin this summer as we explore CREATIVITY through music, dance, arts and crafts.

Youth Arts Safari will allow students to use their imaginations— to create artworks, play the drums, dance, and sing. Students will be learn about Ghanaian drumming, dances, and songs, Capoeira, as well as African American visual artists.

Youth Arts Safari Summer Camp was designed with several simple goals in mind:

- To give families an affordable way to send students to an Arts-oriented camp program.
- Give students an artistic, yet educational outlet during the summer.
- Bring the arts and museums together in young minds.
- Offer students the opportunity to learn while they have FUN.

It is not often that you can find a summer camp that offers what we have at the Carver for the price. Our building is complete with:

- Stage
- Dance studio
- Dressing room
- Classroom
- Four galleries

Students will come away with a wonderful experience and a more creative outlook.
