Creativity Club (C-Club) is an after school program that is held at participating AISD elementary schools and on-site at the Dougherty Arts School. Students explore arts educational programming through lessons taught in various artistic media and disciplines. Creativity Club's curriculum follows a process-based learning model with lesson plans developed by our Instructors in response to themes that emphasize cultural studies, art history and creative techniques. This method allows every project to be responsive to the students' creative interests as well as incorporate the Instructors' own artistic expertise. Instructors are carefully chosen so that each site provides diverse cultural arts experiences for all participants in the areas of visual, performing and media arts. The goal of Creativity Club is to provide students the time and space to develop individual creative expression through group participation in structured recreation activities and intentional arts lessons.

The Austin Parks and Recreation Department has developed an after school program structure that encompasses four major components of 1) active play time, 2) healthy snack time, 3) homework time and 4) enrichment; all of which you will see in Creativity Club. Youth Development and Enrichment programming has been identified nationally as a crucial need; therefore, Austin has adopted the 40 Developmental Assets®, a recognized standard in youth programming. This approach encourages the development of key attributes in areas including Support, Empowerment, Boundaries and Expectations by providing participants opportunities to exercise these qualities. Please visit www.search-institute.org for more information.

Note: The City of Austin Childcare Ordinance requires a teacher-to-student ratio maximum of 1:12. Students are grouped by age. Snacks are not provided by the program; please send an extra snack with your student.

Important: Program openings are filled on a first-come, first-served basis. Once enrolled in the first month, students are then guaranteed a spot in consecutive months as long as tuition payments are made on time. Please see registration page for complete information.

ADULT AND SENIOR ARTS PROGRAM SPECIFICS

Safety / Conduct

The Dougherty Arts Center promotes an environment in which all participants feel safe, secure and without obstacle to participation in their registered classes. Unless accommodation arrangements have been made in advance with our Inclusion Office, adult and senior students must be able to participate independently in class. Friends, children and pets are not permitted to attend with the enrolled student. Students must be dressed appropriately and safely for the class, including wearing appropriate shoes, clothing and jewelry that fits properly not to catch or cause safety hazards around art supplies, chemicals, classroom tools or equipment.

Each student is responsible for his / her own conduct. Students who are disruptive, who threaten, attempt injury or damage to people or property, who use abusive language, ignore staff instructions, or behave in a manner deemed inappropriate or unsafe by staff will be removed from the class for the remainder of the session without refund, transfer or make-up. Students are required to comply with all policies, procedures and direction of Dougherty Arts Center staff to ensure the safety and productivity of classes for all students. Students who violate these requirements may be suspended and / or removed from the property for a specified period of time to be communicated verbally or in writing by a City of Austin employee.

YOUTH FORMS

Participant Waivers

Waivers for students under the age of 18 must be completed and signed by the parent or guardian before the student can attend class or camp.

This Registration/Participant Waiver form includes:

- Emergency Contacts
- Medical Information
- Accessibility Accommodation Requests
- Privacy Policy
- Photo/Video Release Waiver
- Release of Liability

Credit card registrations by telephone will hold your spot in the class or camp for seven [7] days until the waiver is returned. Registration for classes that start within 7 days must include the waiver with the registration, or may be hand-delivered or faxed by the end of the day. Children cannot participate in City of Austin programs until waivers are completed, signed, initialed and received in the registration office.

Medication Permission

If a child is taking a prescription or non-prescription medication during program hours, a "Permission to Give Medication" form must be completed at the Dougherty Arts School office. Every effort should be made by the parent/guardian to administer medication prior to or after program hours. If this is not possible, then the Arts School staff will administer medication according to the information on the "Permission to Give Medication" form. The Arts School staff will only accept no more than one-week supply of medication for a participant. Do not send the complete bottle of liquid, tablets or powder. The medication must be provided in the original container with the following information: child's name, type of medication, time to be given and other specific instructions (ask the pharmacy for an additional container with instructions). Staff may not administer medication that is not in its original container or past the expiration date on the container. Staff will not administer injections.

Child Placement Policy

Students are placed in camps and classes according to their age, determined by birth date. If the student's birth date falls during a program session, they may enroll in either the younger or older camp. Camp or class size must conform to the City of Austin Childcare Safety Ordinance No. 20130822-121 and the Dougherty Arts School's teacher-to-student ratios. If you would like your child to be placed in a different camp or class than assigned, please request this in writing by submitting a Class Request form. However, placement is not guaranteed and all requests must be submitted 7 days prior to the first day of camp or class. Please contact 512-974-4040 for a copy of the form.

Friend Requests

Students enrolled in the same camp or class might not be placed in the same group depending upon the total number of enrolled participants. Group lists are made one week prior to the first day of camp or class following the guidelines of the Child Placement Policy. To ensure that two friends are placed in the same group, both parents must request this in writing by submitting the Youth Friend Request form at least 7 days prior to the first day of camp or class. Placement is not guaranteed. Please contact 512-974-4040 for a copy of the form.
