

## VISION PLAN OPEN HOUSE

The Parks and Recreation Department has been developing a Vision Plan for Emma Long Metropolitan Park. Thanks to the participation and valuable input received from park users and surrounding neighbors, we are ready to present the finished product, which will help guide future improvements at the park.

At the event, we will share updated concepts that have been developed through our public involvement process and infrastructure analysis of the park.

### BRING THE KIDS

There will be exciting family friendly activities too, so bring the family out for a fun day at the park and see what's next for Emma Long!
