8	thanks for taking community feedback	10/17/2017 5:50 PM

10	It important that this site include other Veteran memorials so that the Military Order of the World Wars' monuments do not become isolated. The site must live up to its name "Veterans Park".	10/1/2017 10:41 PM
11	Im happy Austin is doing this. And more educational info of true cost of war like number participants, KIA, MIA/POW, wounded. Obviously this should be updated yearly as we are still finding remains and new researchs gives us better info esp about early wars.	9/24/2017 3:02 PM

16	This park means a lot to the veterans of Austin. Thank you.	9/19/2017 1:13 PM
17	My concerns in the past as a member of the Veterans Commission was disabled access from one end to the other, with wide paver walkways for donation stones. The park should seem with the house for additional movement and visuals. Flag poles have lights on them; water fountains, seating with a focal plaza.	9/19/2017 12:47 PM
