

# Veterans Park Community Meeting

September 14, 2017

## Join us for a community meeting for Veterans Park

The Austin Parks and Recreation Department (PAR) is hosting a community meeting to begin the planning process for Veterans Park. The purpose of this meeting is to present background, history and existing site conditions; and to gather community input on project goals and design of the space.

The focus of the Veterans Park project is to relocate and enhance the exhibition of three war memorials, originally located at Waterloo Park, to the existing Veterans Park. The intent of the proposed design will create a setting for the monuments that expresses a respectful and peaceful sense of place.
