Wooldridge Square Preliminary Plan First Public Engagement Meeting

Date:

Wednesday

February 17, 2016

6:30 pm - 8 pm

Location:

Austin Recreation Center

1301 Shoal Creek Blvd.

Austin, TX 78701

The Austin Parks and Recreation Department, in partnership with consultant Landscape Architecture design firm DWG, will hold the first stakeholder and community engagement meeting to discuss and collect feedback regarding program elements for the Wooldridge Square Preliminary Plan. The meeting format will include a presentation regarding project goals, site analysis and constraints, and opportunities for the public to provide input on vision and desired elements of the park.

The proposed preliminary plan will seek to improve the park with intentional programming that supports stakeholder and client program recommendations in addition to those recommendations outlined in the Downtown Parks and Open Space Master Plan and the Downtown Austin Plan of 2010. The purpose of the preliminary plan is to consider the context and the historical status of this downtown square and incorporate a stakeholder process with the leadership of Downtown Austin Alliance, Travis County, Friends of Wooldridge Square, Austin History Center, Preservation Austin, Texas Historical Commission, and the Austin Parks Foundation.

The goal of the proposed improvements is to honor the historic integrity of the park while embracing programming elements and improved infrastructure components.
