District 2 includes approximately 8% of all residential streets (280 lane miles) maintained by the Public Works Department. The category "No Condition Data" represents data anomalies from database transfers and data processing. These anomalies will be fully accounted for upon updating the Pavement Management Database.

The average number of residential sidewalks for all districts is 108 miles. District 2 includes 12% of the residential sidewalk network, or 128 miles. The Sidewalk Master Plan has identified 3.3 miles of Very High Priority sidewalk needs and 17 miles of High Priority sidewalk needs in District 2.

District 2 includes 1.3 miles of the 31.3 miles of existing urban trails throughout Austin. Urban trails in District 2 includes the trail on McKinney Falls Parkway from McKinney Falls State Park to William Cannon Drive. Priority urban trails have been identified by the Urban Trails Master Plan, and include the E. Ben White Corridor and Todd Lane to Burleson Rd connector trail in District 2.

The Safe Routes to Schools program serves 10 schools in District 2. The Safe Routes to Schools program is reported by the location of the schools, and students may live in different districts or outside of the district boundaries.

Note that all numbers above, except the Safe Routes to Schools Program, are estimates produced by geospatial data processing and are to be used as guides only.
