ALTERNATIVE ROUTES FOR TRAFFIC

For north and south-bound traffic, Guadalupe, Lavaca, Red River are recommended. For east and west-bound traffic, certain lanes of Cesar Chavez, 5th & 6th Streets will be kept open until approx. 10:00am to allow for traffic; after this time, 15th St will be the best artery to use if you need to pass through the downtown area.

PARKING AND TRANSPORTATION OPTIONS

Spectators are encouraged to park on whichever side of Congress Ave. they will be exiting (for example, if you plan to go home using MoPac, park to the west of Congress Ave, and if you plan to access IH-35, park east of Congress Ave) to minimize congestion. There are many downtown lots, garages and metered parking spaces close to the parade route. Please avoid parking on the route or within one block of Congress Ave, as your vehicle will not be able to leave those areas once the closure is in place, and anyone parked on the route is subject to towing.
