ORDINANCE NO.

AN ORDINANCE AMENDING CITY CODE TITLE 4 TO ADD CHAPTER 4-15 RELATING TO SPECIAL EVENTS; REPEALING AND REPLACING CHAPTER 14-8 RELATING TO TEMPORARY RIGHT-OF-WAY CLOSURES; AMENDING SECTION 10-3-96 RELATING TO TEMPORARY FOOD ESTABLISHMENTS; REPEALING SECTION 14-6-3 RELATING TO CLOSURES FOR A STREET FESTIVITY; AND CREATING A PENALTY.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. FINDINGS

The council finds the following:

(1) The City’s festivals, road races, and other special events contribute to the unique character and vitality of the City;

(2) Special events range from very small neighborhood-level events to large-scale, multi-million dollar productions;

(3) Events held in the City impact public safety and impede the flow of pedestrian and vehicular traffic;

(4) The City’s public safety personnel are better able to respond to issues affecting public safety when they are alerted in advance to the timing, location, and nature of events occurring in the City. The special event permit application process will allow the City to manage the competing uses of its public safety personnel;

(5) The special events team will be able to assist event organizers in obtaining all necessary permits and facilitate the timely and efficient process of permit applications;

(6) Citizens need to quickly access public space to respond to current events through spontaneous speech;

(7) A special event permit application process will allow the City to manage the competing uses of its public spaces and ensure that members of the public are able to access public space for their events;

(8) Many event organizers must apply for permits from multiple City departments;
(9) An interdepartmental special events team acting as a “one-stop shop” for special events will provide a single point of contact for event organizers and the public;

(10) When more than one event occurs in the same general area, the occupancy level of adjacent city streets and sidewalks increases, which may create an unsafe condition and strain the City’s resources and infrastructure;

(11) Limiting the number of special events that may occur simultaneously in an area will allow the City to prevent people from being injured due to overcrowded streets and sidewalks and will allow the City to better manage its resources and infrastructure; and

(12) Many special events are conducted on an annual basis and have been operating in substantially the same form for at least 20 years; and these events contribute the City’s identity.

PART 2. Title 4 of the City Code is amended to add Chapter 4-15 (Special Events):

impact area is designated, ACE may limit the number of permits described
