

# Spicewood Springs Road Regional Mobility Project

## At this open house,

we ask you to review and provide feedback on three draft alternatives for mobility and safety improvements to Spicewood Springs Road.

## After this open house,

please leave feedback online at  
[AustinTexas.gov/SpicewoodSpringsRd](https://AustinTexas.gov/SpicewoodSpringsRd)  
from August 30 through September 14.

## This fall,

staff will finalize one alternative for improvements. This alternative will be carried into the design phase of the project, which will begin immediately.

## During the design phase,

the selected alternative will continue to be refined. This phase will last 1-3 years.

## After the design phase,

construction will begin. Construction should be complete by 2024.

## Throughout the project,

City staff will continue coordinating with stakeholders and the community.
