The Zip Code of a property seeking a Watering Day Variance for Large Properties is used to determine the expiration of an existing variance and the submittal window of a variance for the next year. Use the **Zip Code Index** above to find the Zip Code of the subject property. The month window at the top of the column will determine when variances issued in 2012/2013 will expire and when it is time for you to submit a variance application for the following year.

Austin Water is authorizing a valid period of one year from the date of issuance for the Watering Day Variance for Large Properties, provided the variance is received and approved within the zip code window indicated above. If your variance application is not received within the reviewing window indicated above, approval of the variance will expire on the last day of the last month indicated of your zip code window.
