

HILTON HOMEWOOD SUITES - 4143 GOVERNORS ROW

Homewood Suites by Hilton Austin South, a 96-room hotel, earned Austin Water's first WaterWise Hotel Partnership on July 26, 2012. Hotel staff was excited to learn about this program and eager to work with Austin Water staff to find ways to improve water efficiency at their hotel. Increasing efficiency conserves water while also lowering a hotel's operating costs.
