**5/2/2012**

Item: <b>#1</b>	Meeting Date: 1/18/2012	Video Reference: Item D3&D4 (Part 1 of 4) 37:25 to 38:25
Requested By: Commissioner Bailey		
Parking Lot Issue: When looking at volumetric rates, review impacts to schools, daycares, and churches.		

Item: <b>#2</b>	Meeting Date: 1/18/2012	Video Reference: Item D3 & D4 (Part 2 of 4) 29:22 to 30:00
Requested By: Commissioner Kidwell		
Parking Lot Issue: What can be done on the bill to promote water conservation?		

Item: <b>#3</b>	Meeting Date: 2/1/2012	Video Reference: Item D3 28:50 to 29:20
Requested By: Commissioner Fishbeck		
Parking Lot Issue: When the Committee is considering recommendations, they should discuss that if and when the revenue stability reserve fund is created and funded, that the Council reconsider the fixed revenue percentage goal.		

Item: <b>#4</b>	Meeting Date: 2/1/2012	Video Reference: Item D3 29:20 to 33:20
Requested By: Commissioner Bailey		
Parking Lot Issue: When the Committee discusses options related to the revenue stability reserve fund, Austin Water should include options that consider a revenue stability reserve fund with a lower fixed revenue goal.		

Item: <b>#5</b>	Meeting Date: 2/15/2012	Video Reference:
Requested By: Commissioner Fishbeck		
Parking Lot Issue: As the Committee discusses specific rate options, Austin Water should try to identify any possible unintended consequences for customers and discuss possible processes to handle exceptions.
