

# Watershed Protection Ordinance Stakeholder Meeting

Friday, December 2, 2011

**11:00 a.m. – 1:00 p.m.**

Staff Bullpen, Rm. 1029, City Hall

301 W 2nd St

Austin, Texas 78701

---

## AGENDA

### Stream Buffer Proposals

**Objective:** Discuss key stream buffer proposals and address them as a group in order to complete evaluation of this topic.

- |   |                                      |
|---|--------------------------------------|
| 1. Introductions                              | 11:00                                |
| 2. Discuss Finalizing New Buffers             | 11:05<br>(with 5<br>minute<br>break) |
| a. Buffer Width (100-200-300 ft.)             |                                      |
| b. Drainage Area Threshold (64-320-640 acres) |                                      |
| c. Flexible Buffer Implementation             |                                      |
| 3. Updates on Other Topics                    | 12:30                                |
| a. Hydrology and Buffers                      |                                      |
| b. Trails and Buffers                         |                                      |
| c. Wildlife Habitat and Buffers               |                                      |
| d. Mapping Critical Environmental Features    |                                      |
| 4. Wrap-Up                                    | 12:50                                |
| 5. Adjourn                                    | 1:00                                 |
