Hot Summer/Cool Seniors

— an adoption event spotlighting our senior dogs —

August 24 & 25, 2013 ☼ 12 - 4 pm

There are many loving personalities and breeds to choose from, seven years or older. Adding a senior dog to your home has many advantages. They are housetrained, don't chew up your things, often know commands, and enjoy an easy lifestyle. There is no adoption fee. All dogs are spayed or neutered, have all vaccinations and are microchipped.

Rescue one of our cool seniors this summer!

FREE Mom and Pops All Natural Frozen Pop with each senior adoption at Town Lake Animal Center.
