

CHAPTER 6  
*LIST OF PREPARERS*

THIS PAGE INTENTIONALLY LEFT BLANK

## 6.1 INTRODUCTION

The following sections present the list of agencies, firms, and individuals that were primarily responsible for the preparation of this Environmental Assessment (EA). The list of individuals includes their name, location, education, years of experience, and primary responsibility or role during preparation of the EA.

## 6.2 FEDERAL AVIATION ADMINISTRATION

The FAA is the lead agency for the preparation of this EA. Responsibility for review and approval of this EA rests with the FAA. The following FAA Staff Members were involved in the preparation of this EA.

John MacFarlane, Environmental Protection Specialist, Office of Airports.

## 6.3 PRINCIPAL PREPARERS

Responsibility for preparation of this EA rests with the City of Austin. Listed below are the persons responsible for the preparation of this EA.

### 6.3.1 City of Austin

Brian Zinn, Austin, TX

(B.S. Environmental Science; M.S. Environmental Science)

Mr. Zinn has 10 years of experience. He is the DOA Environmental Team Lead and is responsible for coordinating and managing technical NEPA analyses and quality assurance of NEPA analyses in the EA.

Kane Carpenter, Austin, TX

(B.S. Geology)

Mr. Carpenter has 25 years of experience.

### 6.3.2 RS&H, Inc.

Dave Full, AICP, San Francisco, CA

(M.A. Urban Planning; B.A. Urban Planning)

Mr. Full has 38 years of experience. He is the RS&H Team Project Manager and is responsible for the sub-consultant management, as well as the technical NEPA documentation and quality assurance of the NEPA analyses in the EA.

David Alberts, Jacksonville, FL

(B.A. Geography)

Mr. Alberts has 23 years of NEPA related experience. He serves as an independent quality control reviewer for this EA.

William Davidson, Denver, CO

(B.S. Environmental Restoration Science and Water Science)

Mr. Davidson has 4 years of experience. He is responsible for the preparation of Section 4(f) Resources, Farmlands, Hazardous Materials, Solid Waste, and Pollution Prevention, Land Use, Natural Resources and Energy Supply, Socioeconomic, Environmental Justice, Children's Health and Safety, Visual Effects, and Cumulative impacts sections for this EA.

Karin Bouler, San Francisco, CA

(B.A. Anthropology)

Ms. Bouler has 14 years of experience. She is responsible for assisting with surface traffic data analysis.

Alex Philipson, Denver, CO

(M.Sc. Geology, B.S. Geology)

Mr. Philipson has 1 year of experience preparing NEPA documentation. He is responsible for Environmental Resources Not Affected and the List of Preparers.

Audrey Hsu, San Francisco, CA

(B.S. Environmental Management and Protection)

Ms. Hsu is an Environmental Specialist with RS&H and is responsible for preparing the Appendices for this EA.

Jon Erion, Houston, TX

(B.A. Urban Planning)

Mr. Erion has 24 years of experience. He is assisting with the sub-consultant management, as well as preparation of the REDIM analysis for this EA.

Peter Maiman, AICP, CM, Denver, CO

(B.S. Aviation Management)

Mr. Maiman has 15 years of aviation experience. He serves as an independent quality control reviewer for the REDIM analysis conducted as part of this project.

Clayton Singleton, PE ENV SP, Austin, TX

(B.S. Civil Engineering)

Mr. Singleton has 10 years of experience. He is the RS&H local Client Manager and is responsible for coordinating with sub-consultants, project information, and project schedule for delivery of this EA.

Monica Hamblin, Jacksonville, FL

(B.S. Environmental Science)

Ms. Hamblin has 4 years of NEPA experience. She is responsible for the preparation of Socioeconomics, Environmental Justice, Children's Health and Safety sections for this EA.

### 6.3.3 KSA

Grayson Cox, PE, Austin, TX  
(B.S. Civil Engineering)

Mr. Cox has 13 years of experience in the Texas aviation industry and works as a Project Manager for KSA Engineers, Inc. He is responsible for directing a team of technical consultants and quality assurance of NEPA documentation in the EA.

### 6.3.4 Baer

Jennifer Lueckemeyer, CPESC, Austin, TX  
(B.A. Geography)

Ms. Lueckemeyer has over 25 years of experience with Austin and statewide environmental regulations and permitting. She is the Baer team Project Manager and provides quality assurance of the biological and wetlands analyses in the EA.

Christen Warkoczewski, Wildlife Biologist, Austin, TX  
(B.S. Wildlife Biomedical Science and Wildlife & Fisheries Science)

Ms. Warkoczewski has six years of professional experience. She leads the biology team at Baer Engineering and is responsible for providing technical and field information for biological resources and wetlands for the EA.

Nadya Prociuk, Austin, TX  
(M.A. & Ph.D. Anthropology; B.A. English and Philosophy)

Dr. Prociuk has 16 years of experience. She is the Baer Engineering Cultural Resources Team Lead and is responsible for Section 106 archeological coordination and quality assurance in the EA.

Eugene Foster, Austin, Texas  
(B.S. Biology; B.A. equivalency Architectural History and Preservation Planning)

Mr. Foster has 33 years of experience as a Secretary of the Interior and TxDOT-pre-certified architectural historian for transportation projects in Texas. He is responsible for conducting and reporting historic resource studies and preparing NEPA documentation for Cultural Resources sections of the EA and is a Senior Project Manager and Historic Resources Specialist.

### 6.3.5 CDM Smith

S. Shawn Turner, PG, BCES, PMP, Houston, TX  
(M.S. Geologic Sciences; B.S. Geology)

Mr. Turner has 22 years of geology and hydrogeology experience. He is the CDM Smith Team Project Manager and is responsible for some groundwater quality aspects of the EA.

Alan Rhames, PE, Austin, Texas

(M.S. Environmental Engineering; B.S. Civil Engineering)

Mr. Rhames has 36 years of civil, drainage and water quality planning and design experience in Austin, TX. He is responsible for the water quality and, with others, the drainage aspects of the EA.

Thomas Nye, PE, Delray Beach, FL

(Ph.D. Applied Marine Physics; B.S. Civil Engineering; B.S. Geology)

Dr. Nye has over 20 years of experience in stormwater modeling and master planning. He is the CDM Smith lead stormwater modeler on this project and is responsible for the hydrologic and hydraulic modeling (using USEPA SWMM) in the EA.

### 6.3.6 HMMH

Timothy Middleton, CM, New York, NY

(B.A. Political Science, B.A. History)

Mr. Middleton has 15 years of experience. He is the HMMH Team Project Manager and is responsible for management of the Noise and Air Quality reporting in the EA.

Michael J. Hamilton, Burlington, MA

(A.S. Survey & Highway Engineering Technology, B.S. Geographic Information Systems and Cartography)

Mr. Hamilton has 21 years of experience. He is the HMMH Team GIS lead and is responsible for coordination of HMMH developed mapping and graphics in the EA.

Phil DeVita, Burlington, MA

(B.S., Meteorology, University of Lowell, M.S., Environmental Studies, University of Massachusetts at Lowell)

Mr. DeVita has over 30 years of experience. He is the HMMH Team Air Quality Lead and is responsible for Air Quality analysis and reporting in the EA.

Vincent Ma, Anaheim, CA

(B.S. Environmental Biology)

Mr. Ma has 4 years of experience. He is the HMMH Team Assistant Project Manager and is responsible for coordination of the Noise and Air Quality analysis in the EA.

Dominic Scarano, Burlington, MA

(B.S. Environmental Science)

Mr. Scarano has 7 years of experience. He is the HMMH Team Noise Modeling lead and is responsible for the use of AEDT in the EA.

### 6.3.7 Kimley-Horn

Santiago Araque, PE, Austin, TX  
(B.S. Civil Engineering, M.S. Civil Engineering)

Mr. Araque has 10 years of experience. He is the Kimley-Horn project manager and is responsible for technical traffic analysis in the EA.

Michael Wanko, PE, Fort Lauderdale, FL  
(B.S. Civil Engineering)

Mr. Wanko has 9 years of experience. He is the Kimley-Horn task lead and is responsible for technical traffic analysis in the EA.

William Schmitz, Twin Cities, MN  
(B.S. Civil Engineering)

Mr. Schmitz has 15 years of experience. He is the Kimley-Horn QA/QC lead and is responsible for technical traffic analysis in the EA.

Kelly Rees, EIT, Austin, TX  
(B.S. Civil Engineering, M.S. Civil Engineering)

Mrs. Rees has 4 years of experience. She is one of Kimley-Horn's project analyst and is responsible for technical traffic analysis in the EA.

Armando Tineo, Fort Lauderdale, FL  
(B.S. Civil Engineering, M.S. Civil Engineering)

Mr. Tineo has 4 years of experience. He is one of Kimley-Horn's project analyst and is responsible for technical traffic analysis in the EA.

### 6.3.8 Adisa

Shuronda Robinson, Austin, Texas  
Systematic Development of Informed Consent Certification

Ms. Robinson has 30 years of experience. She is the Principal at Adisa Communications and is responsible for community engagement, outreach, and communications.

Karmella Green, Austin, Texas  
(B.A. Psychology)

Ms. Green has 10 years of experience. She is a Project Manager at Adisa Communications and is responsible for managing the deliverables for community engagement, outreach, and communications.
