GUIDELINES FOR THE AUS CORPORATE HOSPITALITY PROGRAM IN THE BARBARA JORDAN TERMINAL

The City of Austin Aviation Department is pleased to offer a Corporate Hospitality Program for local companies and event organizers to greet event attendees flying into Austin. Please understand that the airport is under very strict federal safety requirements. We have a special commitment to protect and to serve airport passengers and visitors. The Aviation Department will make an effort to accommodate reasonable requests to ensure a smooth 'meet-and-greet' for attendees. We appreciate your support of our safety mission by adhering to the following guidelines:

- An application (attached) must be submitted for review at least 2 weeks in advance of the event. Each section of the Permit Application must be filled out for consideration. Applications submitted more than three months prior to the event will not be reviewed. Applications submitted in less than 2 weeks will be considered on a case-by-case basis.
- Due to limited space requirements, the Aviation Department may accommodate for one Corporate Hospitality Staffed Meet and Greet Center request and two Meet and Greet Services permits, based on first-come, first-served application filing, and acceptance.
- Changes and signed approval by the Aviation Department and hosting organization will occur within a week before the event set up.
- The Aviation Department's Guest Services Division will serve as the primary contact for logistics before the event. All Corporate Hospitality Program questions and a completed application should be submitted, in advance of the event, to AUS.GuestServices@flyaustin.com or call (512) 530-6610 for additional information.
- The hosting organization, if approved for a Corporate Hospitality Staffed Meet and Greet Center permit, must provide signs and literature.

One welcoming/directional sign may be placed across from each escalator landing. Signs should not block arrival and departure monitors or other airport signs or impede foot traffic. An easel sign may also be placed directly next to the Corporate Hospitality staffed Meet and Greet Center or directly next to the Airport Staffed Hospitality Welcome Services area.
