

Resolution 20180614-074 – Immigration Enforcement  
Quarterly Report #9: April 1<sup>st</sup> - June 30<sup>th</sup>, 2021  
Report Date: July 31<sup>st</sup>, 2021

## Overview

---

The purpose of this memorandum is to provide an update on the Council directive adopted on June 14, 2018 related to immigration enforcement and information sharing. The directive requires the Austin Police Department to provide quarterly reports regarding the number of inquiries into someone's immigration status, as well as the number of requests for assistance or cooperation made by ICE or other federal immigration officials.

## Resolution Requirements and APD Definitions of Responsive Data

---

### Resolution Requirement 1 and APD definitions

*Anonymized and individualized records of every instance that a police officer inquires into the immigration status of a suspect. Such records should include a documented reason for the stop or the arrest, the reason for the inquiry into immigration status, the race and ethnicity of the person detained or arrested, a confirmation that the person was informed of their rights, the number of unduplicated officers involved, and the general location, such as the zip code of the incident.*

- 1. There were no incidents where any police officers inquired into the immigration status of any individuals.**

### Resolution Requirement 2 and APD definitions

*All City resources used on immigration law enforcement assistance, and a justification for the use of those resources in relation to City's budget, public safety priorities, the city's strategic priorities, or legal requirement. Examples of immigration enforcement assistance include, at a minimum: contacting an immigration law enforcement agency to provide the agency information about a resident or person in custody, transferring custody of an individual to an immigration law enforcement agency, responding to an immigration law enforcement agency's request for information, providing backup for an immigration law enforcement agency operation, engaging in joint operations with an immigration law enforcement agency, and facilitating immigration arrests or interrogations of individuals in conjunction with an immigration law enforcement agency. The report should include the number of officers that assisted immigration law enforcement, the amount of time those officers were involved in such assistance, the financial resources and human resources dedicated to such assistance, the number of individuals arrested as a result of immigration law enforcement assistance (if known), the number of these arrestees charged with criminal offenses, if any and if known, the number of arrestees taken into federal immigration custody for alleged civil immigration violations (if known), and, when it is possible to identify, what, if any, other criminal law enforcement work was scheduled to be completed and was delayed or was incomplete due to the immigration law enforcement assistance provided.*

**2a. There were no instances in which APD aided in immigration enforcement during the time period – ICE requested APD assistance.**

**2b. There were no instances where immigration enforcement authorities were contacted due to the immigration status of a subject during the time period – APD requested ICE Assistance:**

**Resolution Requirement 3 and APD definitions**

*Any information that the City shared with a federal immigration enforcement agency at the request of a federal immigration agency. The information provided in the report to Council should be anonymized and aggregated. The information provided shall include, at a minimum, how many records, and what kind of records, were requested from and shared by the City, and with whom the records were shared with.*

**3. Below is the anonymized and aggregated data provided to federal immigration agencies, by type of record provided and quantity, as required by the resolution.**

APD provided a total of 1 record for 22 requests for assistance or cooperation from a federal immigration officer. In many instances, ICE provided no information. Prior to releasing the information, the requesting agency must provide APD with a case number, name of the investigator assigned, the criminal nexus, and the crime type (e.g. Aggravated Assault, Robbery, DWI, etc.).
