NOTICE OF COMPLAINT

July 15, 2022

ICMS #: 2022-0581

On July 13, 2022, the OPO received an email complaint.

The complainant alleges: the day after i sent the email outing [REDACTED] as a stalker working in conjunction with [REDACTED] who is spying, wiretapping, and eavesdropping on me in addition to unwanted digital surveillance - my dirty landlord [REDACTED], [REDACTED] and [REDACTED] of [REDACTED]" unlawfully entered, unlawfully evicted, and stole all my property. APD response time was delayed by hours due to a "kidnapping" in the area and supposedly only 4 officers on duty at that time. officer [REDACTED] responded and refused to facilitate returning my property or to trespass [REDACTED], [REDACTED] and [REDACTED] off the property. he told me to "move".

this was clear retaliation on the part of travis co and the city of austin - who i now have dozens of court actions against.

[REDACTED], [REDACTED] and [REDACTED] are all unresponsive to calls regarding [REDACTED] conduct - which is that he is coordinating with a criminal spy hired on behalf of [REDACTED] to harass, muscle and target me.

this is a matter of hierarchical and stratified corruption. the actions of [REDACTED] are to prevent me from pursuing court action against anything related to their city and county fronted criminal activity by keeping me in employment, housing, and food insecurity.

the criminal spy on the part of [REDACTED] leaves dead birds for my that i will walk past and see. they did this at [REDACTED] and at [REDACTED].

APD is unresponsive. apd refuses to investigate the burglary at my storage unit. all my legal documents against [REDACTED] were stolen.

this is a sedate settled design on me to inflict as much distress and damage to as possible.

[REDACTED] and travis co are at the helm of it.

[REDACTED] wrongfully denied my write of reentry after the unlawful eviction and unlawful lockout. i had checks dating back a [REDACTED] proving residency of this location and

videos of rent payment given to the landlord. rent was current. his denial was completely political and totally wrongheaded.

i am know in a position of living in weekly hotels i cannot afford, going to food banks, and was just terminated from my employer [REDACTED] on [REDACTED] for stating "[REDACTED] faked a heat related episode and misused city resources by calling EMS. the EMS responding officer? officer "[REDACTED] as in responding to a [REDACTED]

i was unlawfully evicted and had all my property stolen in retaliation for filing court actions against [REDACTED] who ran a "transitional housing" unit in travis co. my location there was facilitated by [REDACTED] of the [REDACTED]. i have a court action against her, [REDACTED], and [REDACTED], as well as [REDACTED] - none have responded. i can file for default hearings and summary judgments.

how much is this chicanery and political antics costing the city and county?

each and every one of you on this email list has a responsibility for this outrageous and unlawful conduct.

my situation is political and i am the target of crooked cop [REDACTED] who refused to investigate credible criminal actions i bring forth against [REDACTED] friends at [REDACTED].

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
