NOTICE OF COMPLAINT

December 16, 2022

ICMS #: 2022-1133

On December 15, 2022, the OPO received an online complaint.

The complainant alleges: I was assaulted at my job @ [REDACTED] on [REDACTED] at [REDACTED]. When i was attacked by two gentleman and they beat me by punching me in the face and all over my head, face, and body, They also kicked my head and face, I was talking to the 911 dispatch when two officers were walking down [REDACTED] and i asked them for help and let the dispatcher know that i was hanging up because there were two officers present. I explained to the officer who took my report that i was brutally assaulted by these two men, who were still present at the time. I have about 10 witnesses who witnessed all the attack. I am hurting and have an eye injury and bad head injuries where i was kicked in the eye and head various times. The officer knowingly that i was hurt, did not arrest the assailant because he said he was not present and could not arrest them because of this. I thought that the Law was supposed to protect and serve? Protect from vicious assaults like this one. I was very confused and question this enforcer. I do not feel safe in Austin if the Police Department is not there to protect us from situations like this, where people think they can assault a human being and get away with it. There is no real lesson learned if this is the attitude of the Austin Police Dept. I will give you all witnesses information upon requesting it. Thank you
