MEMORANDUM

Austin Police Department *Office of the Chief of Police*

TO: Mark Washington, Director of Civil Service

FROM: Art Acevedo, Chief of Police

DATE: September 25, 2013

SUBJECT: Temporary Suspension of Police Officer Albert Arevalo #6422
Internal Affairs Control Number 2013-0671

Pursuant to the provisions of Chapter 143 of the Texas Local Government Code, Section 143.052, and Rule 10, Rules of Procedure for the Firefighter's and Police Officers' Civil Service Commission, I have temporarily suspended Police Officer Albert Arevalo #6422 from duty as a City of Austin, Texas police officer for a period of two (3) days. The temporary suspension is effective beginning on October 1, 2013, and continuing through October 3, 2013.

I took this action because Officer Arevalo violated Civil Service Commission Rule 10.03, which sets forth the grounds for disciplinary suspensions of employees in the classified service, and states:

No employee of the classified service of the City of Austin shall engage in, or be involved in, any of the following acts or conduct, and the same shall constitute cause for suspension of an employee from the classified service of the City:

- L. Violation of any of the rules and regulations of the Fire Department or Police Department or of special orders, as applicable.

The following are the specific acts committed by Officer Arevalo in violation of Rule 10:

On June 11, 2013, Officer Arevalo continued pursuit of a suspect who was traveling over 90 miles per hour going the wrong direction on South Lamar Blvd.

By these actions, Officer Arevalo violated Rule 10.03(L) of the Civil Service Rules by violating the following rules and regulations of the Austin Police Department:

➤ **Austin Police Department Policy 214.3.3: Vehicle Pursuits: When to Terminate Pursuit**

214.3.3 When to Terminate Pursuit

Pursuits should be discontinued whenever the totality of objective circumstances known, or which reasonably ought to be known, to the officer or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the subject's escape. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to motorists, themselves, and the public when electing to continue a pursuit. This section shall not be construed to authorize a pursuit that is expressly prohibited as outlined in the Restrictions on Vehicle Pursuits section of this policy.

(a) The factors listed in this policy on when to initiate a pursuit are expressly included herein and shall also apply to the decision to discontinue a pursuit. In addition to those factors listed, the following should also be considered in deciding whether to terminate a pursuit:

1. Distance between the pursuing officers and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time or distance.
2. Pursued vehicle's location is no longer definitely known.
3. Officers shall discontinue the pursuit when they become aware their vehicle has developed a mechanical malfunction. This includes, but is not limited to:
 - (a) Any engine warning light activates on the dash (e.g., brake, ABS, or check engine lights).
 - (b) Audible warning tones.
 - (c) Physical damage that affects the performance, maneuverability, or functioning of the vehicle.

4. Hazards to uninvolved bystanders or motorists.
5. If the identity of the offender is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit, officers should strongly consider discontinuing the pursuit and apprehending the offender at a later time.
6. Directed by a supervisor.
7. Pursuit speeds:
 - (a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.
 - (b) Pursuit speeds have exceeded the driving ability of the officer.
 - (c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation unsafe.

By copy of this memo, Officer Arevalo is hereby advised of this temporary suspension and that the suspension may be appealed to the Civil Service Commission by filing with the Director of Civil Service, within ten (10) days after receipt of a copy of this memo, a proper notice of appeal in accordance with Section 143.010 of the Texas Local Government Code.

By copy of this memo and as required by Section 143.057 of the Texas Local Government Code, Officer Arevalo is hereby advised that such section and the Agreement Between the City of Austin and the Austin Police Association provide for an appeal to an independent third party hearing examiner, in accordance with the provisions of such Agreement. If appeal is made to a hearing examiner, all rights of appeal to a District Court are waived, except as provided by Subsection (j) of Section 143.057 of the Texas Local Government Code. That section states that the State District Court may hear appeals of an award of a hearing examiner only on the grounds that the arbitration panel was without jurisdiction or exceeded its jurisdiction, or that the order was procured by fraud, collusion or other unlawful means. In order to appeal to a hearing examiner, the original notice of appeal submitted to the Director of Civil Service must state that appeal is made to a hearing examiner.

In addition, if this disciplinary suspension is for three (3) days or less, Officer Arevalo is advised of the following provisions of Article 18, Section 1, of the Meet and Confer Agreement:

The parties agree that when an officer is suspended for 1, 2, or 3 days the officer may choose one of two methods of dealing with the suspensions as listed below.

- a) **Suspensions that may not be appealed.** The officer may choose to use vacation or holiday time to serve the suspension with no loss of paid salary and no break in service for purposes of seniority, retirement, promotion, or any other purpose. The officer must agree that there is no right to appeal if this method of suspension is chosen.
- b) **Suspensions that may be appealed.** The officer may appeal the suspension to arbitration or the Civil Service Commission. If the officer chooses to appeal the suspension, the arbitrator or Civil Service Commission's authority is limited to ruling on whether or not the charges against the officer are true or not true. If the arbitrator or Civil Service Commission finds the charges to be true, there is no authority to mitigate the punishment. If the arbitrator or Civil Service Commission finds the charges to be not true, the officer shall be fully reinstated with no loss of pay or benefit.

Arbitration Costs on Appealable Suspensions

In the event that an officer appeals a 1, 2 or 3 day suspension to arbitration, it is agreed that the party that loses the arbitration shall be responsible for all costs of the arbitrator, including travel and lodging if necessary.

To facilitate such payment on the part of the officer he shall submit, at the time of appeal, a signed payroll deduction agreement that if the arbitrator rules in favor of the City he authorizes up to one hundred dollars (\$100.00) per month to be deducted from his regular pay until such time as what would usually be the City's portion of the arbitrator's costs have been satisfied.

AC Robledo 1729 for Chief Acevedo
ART ACEVEDO, Chief of Police

9-24-13
Date

TO WHOM IT MAY CONCERN:

I hereby acknowledge receipt of the above and foregoing memorandum of temporary suspension and I have been advised that if I desire to appeal that I have ten (10) days

from the date of this receipt to file written notice of appeal with the Director of Civil Service in accordance with the provisions of Chapter 143 of the Texas Local Government Code. I also acknowledge the options set forth in this memorandum of temporary suspension, including my right to waive an appeal of a suspension of three (3) days or less, and my financial and contractual obligations under the Meet and Confer Agreement if I elect to appeal a suspension of three (3) days or less and do not prevail.
