

# ONLY YOU CAN PREVENT ILLEGAL DUMPING

Did you know that there is a right and a wrong way to dispose of tree limbs, leaves and brush? The best way to ensure that excess branch and yard waste are disposed of properly is by hiring a hauler that knows the rules, a hauler with a license through the City of Austin. Tree limbs and yard waste are a safety hazard. While you may not be the one dumping, by hiring a licensed hauler, you can guarantee you're not part of the problem.
