The Music Office is required under Section 9-2-50 (Music Office Review) in Chapter 9-2 of the sound ordinance to conduct an appropriate level evaluation, based on the type of permit being requested and the potential impact to the surrounding community. This investigation may include on-site inspections including sound measurements and discussions with nearby residents and business owners, and any additional research relevant to assessing potential impacts. When reviewing and making recommendations regarding annual outdoor music venue permit applications, the Music Office coordinates with multiple departments including Austin Police Department (APD) and Austin Fire Department (AFD).

FEES AND TIMELINE

NOTIFICATION FEE FOR OUTDOOR MUSIC VENUE APPLICATION: \$241.00

This fee is required under Section 9-2-54 (Notice of Application) for notification of single-family owners within 600 feet of the site, multi-family use located adjacent to the site, or registered neighborhood organizations whose declared boundaries are within 600 feet of the site. As stated in Section 9-2-65 (*Revocation of Live Music Permit*), the Music Office may recommend that a permit be revoked for repeatedly exceeding the allowable decibel limits, hours of permitted sound amplification or for violations of conditions required in the Music Office sound impact plan. The permit expires at midnight on the first anniversary of the date it was issued. It is the applicant's responsibility to apply for permit renewal prior to expiration. The accountable official may refuse to issue or renew an outdoor music venue permit if the permittee has been convicted of more than two permit violations under Chapter 9-2, or if the property where the sound equipment will be used has received more than two permit violations.
