SUBJECT: Revised Bidding and Contract Documents

We are issuing an update to the City of Austin Bidding Requirements, Contract forms, Conditions of the Contract, and General Requirements for construction contracts. In this case, we have updated 10 documents as described in the attached summary of changes.

The updated documents must be used for all construction projects in which the first bid advertisement occurs on or after May 20, 2013.

All Contract Document Sections are available by downloading from the City of Austin Web Page at the following location, <http://austintexas.gov/page/bid-docs>. Please contact Andrea Pimentel at (512) 974-9377 for assistance with access to any of these documents.
