2-7-102 Findings; Purpose; Applicability.

(A) The Council finds that persons who enter a competitive process for a city contract voluntarily agree to abide by the terms of the competitive process, including the provisions of this Chapter.

(B)[(A)] The Council finds that it is in the City's interest:

(1) to provide the most fair, equitable, and competitive process possible for selection among potential vendors in order to acquire the best and most competitive goods and services; and

(2) to further compliance with State law procurement requirements.

(C)[(B)] The Council intends that:

(1) each response is considered on the same basis as all others; and

(2) respondents have equal access to information regarding a solicitation, and the same opportunity to present information regarding the solicitation for consideration by the City.

(D) A solicitation includes, without limitation, an invitation for bids, a request for proposals, a request for quotations, a request for qualifications, and a notice of funding availability.

(E) Unless this Article is invoked by Council, this article does not apply to an opportunity to compete for City social service funding; City cultural arts funding; federal, state and City block grant funding; and the sale or rental of real property.

(F) A representation excludes communication between a City of Austin attorney and a respondent's attorney.

2-7-103 Restriction on Contacts.

(A) During a no-contact period, a respondent shall make a representation only through the authorized contact person.

(B) ~~[If d]During the no-contact period, a respondent may not make a representation to a City official or to a City employee other than to the authorized contact person. [makes a representation to a member of the City Council, a member of a City board, or any other official, employee, or agent of the City, other than to the authorized contact person for the solicitation, the respondent's response is disqualified from further consideration except as permitted in this article.]This~~

prohibition also applies to a vendor that makes a representation and then becomes a respondent.

(C) The prohibition of a representation during the no-contact period applies to a representation initiated by a respondent, and to a representation made in response to a communication initiated by a City official or a City employee [member of the City Council, member of a City board, or any other official, employee, or agent of the City] other than the authorized contact person.

(D) If the City withdraws a solicitation or rejects all responses with a stated intention to reissue the same or similar solicitation for the same or similar project, the no-contact period shall expire after the ninetieth[sixtieth] day after the date the solicitation is withdrawn or all responses are rejected if the solicitation has not been reissued during the ninety[sixty] day period.

(E) For a single vendor award, the no-contact period shall expire when the first of the following occurs: contract is executed or solicitation is cancelled.

(F) For a multiple vendor award, the no-contact period shall expire when the last of the following occurs: all contracts are executed, negotiations have been fully terminated, or the ninetieth day after the solicitation is cancelled.

(G) The purchasing officer or the director may allow respondents to make representations to city employees or city representatives in addition to the authorized contact person for a solicitation that the purchasing officer or the director finds must be conducted in an expedited manner; an expedited solicitation is one conducted for reasons of health or safety under the shortest schedule possible with no extensions. The purchasing officer's or director's finding and additional city employees or city representatives who may be contacted must be included in the solicitation documents.

(H) Representations to an independent contractor hired by the City to conduct or assist with a solicitation will be treated as representations to a City employee.

(I) A current employee, director, officer, or member of a respondent, or a person related within the first degree of consanguinity or affinity to a current employee, director, officer or member of a respondent, is presumed to be an agent of the respondent for purposes of making a representation. This presumption is rebuttable by a preponderance of the evidence as determined by the purchasing officer or director.

(J) A respondent's representative is a person or entity acting on a respondent's behalf with the respondent's request and consent. For example, a respondent may email their membership list and ask members to contact council

members on the respondent's behalf. The members are then acting per respondent's request and with their consent, and the members have become respondent representatives.

~~[(E) This section does not apply to a representation:~~

~~(1) made at a meeting convened by the authorized contact person to evaluate responses;~~

~~(2) required by Financial Services Department protest procedures for vendors;~~

~~(3) made at a Financial Services Department protest hearing;~~

~~(4) provided to the Small & Minority Business Resources Department in order to obtain compliance with Chapter 2-9 (Minority Owned and Female Owned Business Enterprise Procurement Program);~~

The authorized contact person shall distribute the written representation in accordance with the terms of the particular solicitation. This subsection does not permit a respondent to amend or add information to a response after the response deadline.

(B) If respondent wishes to send a complaint to the City, the respondent shall submit the complaint in writing only to the authorized contact person. [If a respondent seeks to make a complaint about a particular solicitation to a member of the City Council or a member of a City board, the respondent should include the complaint in his written representation to the authorized contact person.] The authorized contact person shall distribute a[the] complaint regarding the process to members of the c[City] c[ouncil] or members of the City board, to the d[irector] of the d[epartment] that issued the solicitation, and to all respondents of the particular solicitation. However, the director or purchasing officer shall not permit

distribution of any complaint that promotes or disparages the qualifications of a respondent, or that amends or adds information to a response. A determination of what constitutes promoting or disparaging the qualifications of a respondent or constitutes amending or adding information is at the director's or purchasing officer's sole discretion. Bid protests are not subject to this subsection. Documents related to a bid protest may not be forwarded to council under this subsection.

(C) If a respondent makes a written inquiry regarding a solicitation, the authorized contact person shall provide a written answer to the inquiry and distribute the inquiry and answer to all respondents of the particular solicitation.

(D) If a respondent is unable to obtain a response from the authorized contact person, the respondent may contact the director~~[Director of the Public Works Department]~~ or p~~Purchasing o~~O~~fficer as appropriate.~~

(E) A respondent may ask a purely procedural question, for example a question regarding the time or location of an event, or where information may be obtained, of a City employee other than the authorized contact person. This section does not permit a respondent to make suggestions or complaints about the contract process that constitute a representation to a City employee other than the authorized contact person. Notwithstanding this subsection, a respondent may not ask a procedural question of a councilmember, a councilmember's aide, or of a City board member except in a meeting held under the Texas Government Code, Chapter 551 (Open Meetings Act).

(B) During the no-contact period, a City official or City employee, except for the authorized contact person, shall not solicit a representation from a respondent.
