

Managed Growth Agreement Application

DevelopmentATX.com | Phone: 311 (or 512-974-2000 outside Austin)
For submittal and fee information, see austintexas.gov/digitaldevelopment

PURPOSE: This application is for obtaining a Managed Growth Agreement within the City of Austin jurisdiction (full-purpose, limited-purpose city limits, and extraterritorial jurisdiction ETJ). The regulatory requirements and procedures for approval are defined in Volume III, Chapter 25 of the City of Austin Land Development Code (LDC). Chapter 25 was adopted by City Council in order to protect the health, safety, and welfare of the Austin community.

General Information

What Is a Managed Growth Agreement?

Sec. 25-1-553 of the City of Austin Land Development Code (LDC) states that an applicant may request the City Council enter into a Managed Growth Agreement for planning and developing:

- Large-scale projects, or
- Projects located within a planned development center

The agreement may specify the time period during which an application may comply with original regulations and shall establish an **expiration date** necessary to complete the project if the otherwise applicable expiration date is to be extended.

Who Approves Managed Growth Agreements?

A Managed Growth Agreement must be approved by the City Council.

Managed Growth Agreement Review Procedures

The procedures for review and approval of Managed Growth Agreements are based on Volume III, Chapter 25 of the City of Austin Land Development Code. The process is summarized below:

Step I: Development Assessment (Optional)

A person may request an assessment of a proposed development **prior** to formal submittal by contacting the Development Assistance Center (DAC). The assessment is based on the information provided by the applicant at the time that an assessment is requested. An assessment of the project includes applicable code requirements pertaining to the site and identification of major development issues. For submittal information, please visit <http://austintexas.gov/digitaldevelopment>.

Step 2: Completeness Check

In order to submit a site plan or subdivision for review, an application for Completeness Check is required. Intake reviews the application and pertinent information to determine if all required administrative items have been submitted. Intake then forwards it to the completeness check team, which determines whether the technical items needed for review have been submitted.

An application for completeness check must include:

- Managed Growth Agreement Application
- Site Plan Review - Completeness Check fee (check, cash, money order, or credit card): see <http://www.austintexas.gov/department/fees>
- Copy of Site Plan or Subdivision
- Summary Letter
- Tax Certificate

The completeness check review takes a maximum of 10 business days from the date of submittal. The applicant will be notified via email whether the application is approved or additional information is required for submittal. When the application is approved, the plans can be formally submitted for a detailed review. If it is determined that the new application qualifies for a Managed Growth Agreement, **the fee for the MGA will also be paid at the formal submittal** along with the other required review fees. **The application must be submitted formally within 45 calendar days of the initial completeness check or it will expire and a new completeness check will be required.**

Step 3: Formal Submittal Review Process

The next step is to submit the Managed Growth Agreement Application to Intake to start the review process. Electronic copies of the application are available online at <http://www.austintexas.gov/page/land-use-applications#site>.

For submittal information, please visit <http://austintexas.gov/digitaldevelopment>.

A Case Manager with the Land Use Review Division is assigned to coordinate interdisciplinary reviews and provide guidance on code requirements and procedures. A review team is also assigned to the project. The team reviews the plans and prepares a Master Comment Report that contains specific areas of non-compliance. The initial review of the plans by the team can take up to 28 days from the date that the plans were formally submitted. The Master Comment Report can be viewed on the City of Austin website at <http://www.austintexas.gov/page/interactive-development-review-permitting-and-inspection>.

Step 4: Approval

Once the staff review has been complete, the Case Manager will notify you of the staff recommendation and schedule the case for City Council approval. A written agreement will be prepared by the staff listing the terms of the agreement, and you will receive a copy for your review and signature prior to the Council action. The Case Manager will inform you of the date and time it is on the Council agenda. You should attend the Council meeting to present reasons why the application should be approved. If Council approves the application, you will receive a copy of the agreement once it is signed by the City.

Application Instructions

The application must be complete and accurate prior to submittal. Please refer to the descriptions below to ensure all information is entered correctly. Note that the application is a fillable PDF, and must first be SAVED TO COMPUTER to be completed.

All information is required (if applicable).

Section 1: Project Information

Project Name

Provide the name of the proposed project.

Project Street Address (or range)

Provide the street address of the project, or range of addresses for all streets abutting the property. For assistance, call: (512) 974-2797; or email: addressing@austintexas.gov.

Description of Proposed Development

Provide a summary description of the proposed project, including type of development, number of buildings, and other proposed site improvements such as parking, water quality/detention ponds, landscaping, etc.

Legal Description or Subdivision Reference

The site plan will not be released unless it has been determined the tract is a legal lot/tract. This determination will be made during the review process, and if it cannot be determined the tract is a legal lot/tract, the applicant will be requested to prove legal lot status or subdivide. If a subdivision is required, it must be recorded prior to the release of the site plan.

Legal Description such as:

- East 50 feet of Lot 1, Block A, Austin Subdivision
- One acre out of the Santiago Del Valle Grant, as recorded in Volume 1, Page 1, of Travis County Deed Records

Deed Reference

The volume, document number, and page numbers of the deed conveying the property to the present owner and the total size of the property conveyed shall be shown. This information is on your deed, or is available from your title company, through the Travis Central Appraisal District website at http://www.traviscad.org/property_search.html, or the Travis County Clerk's Office at 5501 Airport Boulevard. Williamson County information is available on the Williamson Central Appraisal District website at <http://www.wcad.org/>.
