## Las Piñatas

October 9 - November 22  
Edward Rendon Sr. Park

District: 3

**Materials:** concrete, plywood, weather barrier wrap, colored paper

**Size:** Three figures at 4' w x 8' d x 10' h

**Description:** During National Hispanic Heritage month in October, visitors will discover a herd of massive piñata burros grazing in a field in east Austin. The project will also be a registered site for East Austin Studio Tours.

**Concept:** In response to the Lejarazu family having their piñata store, *Jumpolin*, razed to the ground with their personal belongings and merchandise inside in February 2015, every act of creation begins as a form of destruction and every city will see parts of itself die as it grows and expands.
