NOT COMPLETE								
<i>Capital Improvement Project</i>								
29	63	Develop a destination park/natural preserve to the south of Little Walnut Creek.	# 1 Pecan Springs/Springdale, FY 2017-18	Underway	6/2017 (PARD): The central nature trail may open in about a month. Remaining items are bollards at the trail entrances, AWU repair of the asphalt road section and trail grading. Additional funding is needed for a master plan and further development. 4/2014 (PDRD): The City of Austin acquired property in this location in 2002-2003. However, the property has not yet been developed for public access. 1/2014 (PARD): PARD will coordinate with Watershed Protection along Little Walnut Creek for land acquisition opportunities.	9/2011: Priority #1 Pecan Springs/Springdale and Priority #8 MLK, FY 2012-13.	PARD	Public Works
30	63	Develop a hike/bike trail along Little Walnut Creek.	# 2 Pecan Springs/Springdale, FY 2017-18	Planned Project	3/2018: Little Walnut Creek Greenbelt master plan initiative will develop a plan for future improvements. The greenbelt was rezoned to public use in 2017. 11/2016: Southern Walnut Creek Trail is complete. Trail section along Little Walnut Creek Park is a Tier II trail in the Urban Trail Master Plan.	9/2011: Priority #2 Pecan Springs/Springdale and Priority #9 MLK, FY 2012-13.	PARD

48	69	Continue development of Springdale Park.	# 4 MLK-183, FY 2017-18	Partially Complete	6/2017 (PARD): PARD is working to acquire an easement to provide pedestrian access to the park from Lott Ave. 12/2014 (PDRD): A playground and pavilion were installed in the park. The pavilion was provided by the Arts in Public Places program and dates to 2002. 6/2014 (PDRD): Friends of Springdale Park obtained a Keep Austin Beautiful grant in 2010 to develop a habitat demonstration garden and plant new trees. 1/2014 (PARD): Prior comments still applicable. PARD continues to advocate for a master plan of this parkland prior to any development. Partnering opportunities are the most immediate funding available for further development of this park. 10/2013 (PDRD): A streambank stabilization project is under construction with completion expected by 9/10/2016. 9/2011(PDR): In a meeting with the NPCT and staff from PDR, Watershed, Public Works (NPP) and PARD about developing another entrance to the meeting, the NPCT discussed their desire to develop a master plan for the park. Initial discussion centered around pedestrian and mountain bike paths. This is a project that the NPCT is discussing taking on and staff from PARD will take the lead in providing staff support. 9/2011 (PARD): PARD recommends contact team become the primary resource and that they seek grant funding and adopt-a-park sponsorship to implement their recommendations. A sign has been installed at the park. 6/2011 (PDR): Continue Level 1 &2 Development of Springdale Neighborhood Park is ranked as the number 5 priority for the E. MLK neighborhood in the PARD Long Range Plan. It received a score of 6, which is relatively low compared to other priorities (See Page 363 of Parks Long Range Plan). The entrances to the Parks are included on Page 190 of the Parks Master Plan.	9/2011: Priority #1 MLK-183 and Priority #10 MLK, FY 2012-13. 6/2011 (Contact Team): Recommends development of Springdale Park to include: 1) a sign for the park 2) entries into the park from surrounding neighborhoods (for example, a Lott Ave. entrance and a bridge over the creek to connect the Fort Branch neighborhood to the park) 3) a larger trail network in Springdale Park, especially in the area undeveloped area. 4) clear out brush and encourage native plant growth, grasses plants and flowers (like Mueller). 5) additional picnic tables and benches along the trails 6) install a trail map to educate neighbors on the routes throughout the park 7) start discussions regarding a disc-golf park. The Contact Team also stated that safety is a concern with this park because of the illegal activities that occur. However, with more legal use of the park illegal activities are expected to decrease and neighbors will feel safer using the park.	PARD	
53	71	Lower Tannehill Branch--Develop public open space on the City-owned flood plain land near the railroad tracks.	# Not Ranked	Not Yet Initiated	2/2011 (PARD): Not currently included in the 5-Year CIP Plan. 2/25/2010 (PARD): PARD can assist with coordinating which department owns the land to facilitate the public use for open space.	10/2008: Pecan Springs/Springdale's #10 priority for FY 2009-10.	PARD	Watershed Protection Department

64	77	Cavalier Park--Develop Hike/Bike Trails along Walnut Creek, Little Walnut Creek, and the former Mo-Kan Railroad right-of-way.	# 3 MLK-183, FY 2017-18	Partially Complete	11/2016: Southern Walnut Creek Trail is complete; trail section along Little Walnut Creek is Tier II trail in Urban Trail Master Plan. 4/2014 (PDRD): Portions of the trail opened in late 2013. 10/2013 (PDRD): The Southern Walnut Creek Hike and Bike Trail is under construction. The trail will stretch 7.3 miles from Govalle Park to Johnny Morris Road and Daffin Lane and will consist of a 10 foot wide concrete trail with two foot shoulders. The project also includes construction of 5 bridges. Streambank stabilization, parking, and other amenities.		Public Works	PARD
79	82	Ensure that proposed city sidewalk project near Ft. Colorado Historical Marker (MLK ROW) provides turn-out at historical marker to provide vehicular pull-in access (complete with landscaping and bench), and consider adding pedestrian crosswalk to allow residents on north side of M.L.K. Boulevard access to the marker.	# Not Ranked	Not Currently Feasible or Recommended	11/2013 (ATD): No pedestrian infrastructure or generators, other than historical marker, on the south side of MLK at this location. No justification for a PHB at this time.		Austin Transportation Department	Public Works
83	87	Add sidewalks in the eastern ROW of 183 between MLK and 51st.	# Not Ranked	Underway	11/2015 (ATD): The 8-mile shared use path along the Bergstrom Expressway is under construction. 5/2015 (PZD): This project is expected to break ground later this year. It will open in 2019-2021. 4/2014 (PDRD): The Central Texas Regional Mobility Authority (CTRMA) is proposing to build a tolled freeway called the Bergstrom Expressway in this location with a shared use path on the east side and a sidewalk on the west side. There would be a pedestrian bridge over the freeway at 51st Street. The environmental study is underway and is expected to be completed in 2015.		TxDOT	Public Works
84	87	Construct sidewalks on Anchor (south side) from Airport to Manor.	# Not Ranked	Not Yet Initiated			Public Works	
86	87	Complete the sidewalk network on Springdale Rd (west side) from Alf [to] Glomar.	# Not Ranked	Partially Complete	4/2015 (PZD): A sidewalk was installed in late 2014 from Webberville Road to the pre-existing sidewalk between Sara Drive and Prock Lane (1,707 feet). 9/2011 (Public Works): 5,000 linear feet @ \$24/square foot or \$120 lineal foot for the average 5' sidewalk. Sidewalk matrix score: Very High. All estimates are at today's construction costs and subject to change in the future.	9/2011: Priority #9 MLK-183, FY 2012-13.	Public Works

88	87	Complete the sidewalk network on Springdale Rd (east side) from MLK and 51st.	# Not Ranked	Not Yet Initiated			Public Works	
89	87	Complete the sidewalk network on Springdale Rd (east side) from 51st to Hycreek.	# Not Ranked	Not Yet Initiated			Public Works	
90	87	Complete the sidewalk network on 51st (both sides) from Manor to Springdale.	# Not Ranked	Partially Complete	4/2013 (PDRD): The South side of 51st between Manor Rd. and Springdale Rd. is complete. Sidewalk segment is still missing on the North side of 51st from Marymount Dr. to Springdale Rd. 9/2011 (Public Works): 5,500 linear feet @ \$24/square foot or \$120 lineal foot for the average 5' sidewalk. Sidewalk matrix score: High/Very High. All estimates are at today's construction costs and subject to change in the future.	9/2011: Priority #3 Pecan Springs/Springdale, FY 2012-13.	Public Works	
91	87	Add sidewalks on 51st (both sides) from Springdale to US 183/YMCA.	# 3 Pecan Springs/Springdale, FY 2017-18	Partially Complete	12/2015 (PWD): A sidewalk extending about 250' of Springdale is under construction. In addition, ramps will be provided so that pedestrians can access the new shared use path. 4/2014 (PDRD): The Central Texas Regional Mobility Authority is proposing to build a pedestrian bridge across US 183 at 51st Street as part of the Bergstrom Expressway project, which is in the environmental study phase. 9/2011 (Public Works): 25,000 linear feet @ \$24/square foot or \$120 lineal foot for the average 5' sidewalk. Sidewalk matrix score: Medium/High/Very High. All estimates are at today's construction costs and subject to change in the future.	9/2011: Priority #4 Pecan Springs/Springdale, FY 2012-13.	Public Works	
92	87	Add sidewalk on Oak Springs (north side) Airport to Springdale.	# Not Ranked	Planned Project	1/2014 (PDRD): A portion of this sidewalk exists, but there are two gaps. 9/2011 (Public Works): 1,500 linear feet @ \$24/square foot or \$120 lineal foot for the average 5' sidewalk. Sidewalk matrix score: High/Very High. All estimates are at today's construction costs and subject to change in the future.	9/2011: Priority #7 MLK-183 FY 2012-13.	Public Works	
95a	88	MLK NPA - Construct the following priority sidewalks: Deloney (either side) from 12th to MLK Blvd.	# Not Ranked	Not Yet Initiated	9/2011 (Public Works): 2,200 linear feet @ \$24/square foot or \$120 lineal foot for the average 5' sidewalk. Sidewalk matrix score: High/Very High. All estimates are at today's construction costs and subject to change in the future.	9/2011: Priority #6 MLK FY 2012-13.	Public Works

95b	88	MLK NPA - Construct the following priority sidewalks: Leslie (either side) from Cometa to Springdale.	# Not Ranked	Partially Complete	9/2016: Sidewalk constructed from Springdale to Astor Pl.		Public Works	
95c	88	MLK NPA - Construct the following priority sidewalks: Gunter (either side) from Airport to Oak Springs.	# Not Ranked	Not Yet Initiated			Public Works	
96a	88	MLK NPA - Construct a sidewalk on Luna (either side) from 12th to 16th.	# Not Ranked	Not Yet Initiated	9/2011 (Public Works): 1,100 linear feet @ \$24/square foot or \$120 lineal foot for the average 5' sidewalk. Sidewalk matrix score: High/Very High. All estimates are at today's construction costs and subject to change in the future.	9/2011: Priority #7 MLK FY 2012-13.	Public Works	
96b	88	MLK NPA - Construct a sidewalk on Perez (either side) from 12th to 16th.	# Not Ranked	Not Yet Initiated			Public Works	
96f	88	MLK NPA - Construct a sidewalk on Greenwood (either side) from Manor to MLK Blvd.	# Not Ranked	Partially Complete	10/2013 (PDRD): GIS data show a sidewalk on the east side from MLK to Pershing. The remaining segment needed is 600'. 9/2011 (Public Works): 1,800 linear feet @ \$24/square foot or \$120 lineal foot for the average 5' sidewalk. Sidewalk matrix score: High. All estimates are at today's construction costs and subject to change in the future.	9/2011: Priority #2 MLK FY 2012-13. 5/2011 (NPCT): Consider this item in the context of a larger street edge alternative design, which incorporates traffic control, bicycle pathway, and stormwater runoff control, in addition to pedestrian walkway. Possible funding spread between stakeholder city departments.	Public Works	
96g	88	MLK NPA - Construct a sidewalk on JJ Seabrook (either side) MLK Blvd to Perez.	# Not Ranked	Not Yet Initiated			Public Works	
96h	88	MLK NPA - Construct a sidewalk on EM Franklin (west side) from MLK Blvd to 12th.	# Not Ranked	Not Yet Initiated	5/2009 (Public Works): 2,200 linear feet @ \$24/SF or \$120 lineal foot for the average 5' sidewalk. Sidewalk matrix score: Low/High. All estimates are at today's construction costs and subject to change in the future. 2/2011 (Public Works): No funding available.	10/2008: MLK's #6 priority for FY 2009-10.	Public Works	
96j	88	MLK NPA - Construct a sidewalk on Manorwood (either side) from Manor to Anchor.	# Not Ranked	Not Yet Initiated			Public Works	
97c	88	MLK/183 NPA - Construct the following priority sidewalks: Craigwood (west side) at FM 969.	# Not Ranked	Not Yet Initiated			Public Works

Action Item/ Rec #	Plan page #	Action Item/ Recommendation	Priority Ranking and Fiscal Year	Status	Staff Comments	Contact Team Comments	Primary Resource	Secondary Resource
103b	89	Add bike lanes and wider sidewalks on both sides of Airport Blvd.	# 1 MLK, FY 2017-18	Not Yet Initiated	3/2014 (Public Works): Airport Blvd. corridor study recommends physically protected bicycle facilities along Airport. 8/2011 (TxDOT): While TxDOT is doing a milling and overlay layer, four foot wide shoulders are being added to both sides of Airport Blvd. from E. MLK to Shady Lane. 5/2009 (Public Works): Estimated cost reflects bike lanes only for resurfacing and restriping. Sidewalks exist--lacking project scope. All estimates are subject to change in the future.	9/2011: Priority #4 FY 2012-13. 10/2008: MLK's #7 priority for FY 2009-10.	Austin Transportation Department	Planning & Zoning Department
103c	89	Add raised, landscaped medians similar to those that exist north of 38 1/2 Street along Airport Blvd.	# 2 MLK, FY 2017-18	Not Yet Initiated		9/2011: Priority #5 MLK and Priority #10 MLK-183, FY 2012-13.	Austin Transportation Department	Public Works
103d.a	89	Use the excess right-of-way at the Airport Blvd. and Manor Road intersection to improve turning movements and improve pedestrian safety.	# 3 MLK, FY 2017-18	Not Yet Initiated	11/2013 (PDRD): Not in parkland, but improves pedestrian connectivity.	9/2011: Priority #8 Pecan Springs/Sprindale, FY 2012-13.	Austin Transportation Department	Public Works
103d.b	89	Use the excess right-of-way at the [Airport Blvd. and] MLK intersection to improve turning movements and improve pedestrian safety.	# Not Ranked	Not Yet Initiated	11/2013 (PDRD): Not in parkland, but improves pedestrian connectivity.	9/2011: Priority #8 Pecan Springs/Springdale, FY 2012-13.	Austin Transportation Department	
104	90	Provide a pedestrian connection with a sidewalk or path from the Cavalier Park subdivision to the YMCA on Ed Bluestein Blvd. An unpaved path could be developed on the unimproved portion of Parliament Dr. between King Charles and US 183 and along US 183 between Parliament and the YMCA entrance.	# Not Ranked	Not Yet Initiated	9/2011 (Public Works): 1,500 linear feet @ \$24/square foot or \$120 lineal foot for the average 5' sidewalk. Sidewalk matrix score: Low. All estimates are at today's construction costs and subject to change in the future.	9/2011: Priority #5 MLK-183 FY 2012-13.	Public Works	Austin YMCA
105	90	Add crosswalks across MLK Blvd. at Adriane to the bus stops.	# 2, FY 2015-16	Not Yet Initiated	11/2013 (ATD); Added to the pedestrian hybrid beacon (PHB) request list and entered into the 3-1-1 system. CSR # 13-00229579.		Austin Transportation Department	Public Works
106	90	Add bus shelters at bus stops in the vicinity of Sims Elementary.	# 4 MLK, FY 2017-18	Partially Complete	12/2011 (CapMetro): Will evaluate these based on ridership. Most appear to have shelters.		Capital Metro

Action Item/ Rec #	Plan page #	Action Item/ Recommendation	Priority Ranking and Fiscal Year	Status	Staff Comments	Contact Team Comments	Primary Resource	Secondary Resource
109	90	Extend bike lane from Springdale to 183 on MLK Blvd.	# 2 MLK-183, 4 Pecan Springs/Springdale, FY 2017-18	Planned Project	01/2019: As part of the E. Martin Luther King Jr Boulevard/FM 969 Mobility corridor plan, a raised bicycle lane proposed. 3/2014 (PDRD): The Austin Bicycle Plan calls for a wide shoulder in this location.	10/2008: MLK's #4 priority for FY 2009-10.	Austin Transportation Department	TxDOT
112c	91	Conduct a traffic calming study for Pershing between MLK Blvd. and Manor Road.	# Not Ranked	Partially Complete	12/2014 (PDRD): Pershing Drive was converted from a one-way street to a two-way street, and the center median was removed. The result is a narrower street, which should discourage speeding traffic. 2/2010 (ATD): Will be added to request list for neighborhood traffic calming. Selection for the program, when there is funding, is on a priority basis based on a two-stage scoring system.	10/2008: MLK's #2 priority for FY 2009-10.	Austin Transportation Department	
113	91	Conduct a traffic calming study for the area including Deloney, Adriane, Luna and JJ Seabrook Streets between 12th Street and MLK Blvd	# 5, FY 2012-13	Partially Complete	3/2013 (ATD): Speed Mitigation request 12A-0065 for Deloney Street from MLK Blvd. to E. 12th Street was determined to be ineligible for the Local Area Traffic Management Program because during the study period, the 85th percentile speed did not meet the speed requirement of 3 mph over the posted speed limit.		Austin Transportation Department	
114	91	Request a traffic calming study for the area between MLK, Springdale, Scottsdale and Bandera Streets.	# Not Ranked	Not Yet Initiated	8/2014 (PDRD): For information about the Local Area Traffic Management Program, including application instructions, please visit http://austintexas.gov/department/local-area-traffic-management .		Austin Transportation Department	
139	98	Add street lights on 2900 Block of Pecan Springs Road.	# Not Ranked	Not Yet Initiated			Austin Energy

Action Item/ Rec #	Plan page #	Action Item/ Recommendation	Priority Ranking and Fiscal Year	Status	Staff Comments	Contact Team Comments	Primary Resource	Secondary Resource
166	101	Investigate flood control options for the East MLK Planning Area.	# Not Ranked	Ongoing	08/2019 (WPD): WPD has numerous problems areas identified in the East MLK Planning Area, both through flood modeling as well as our database of community-reported flooding locations. Given the greater severity of other watershed problems across town, WPD does not currently have any large-scale projects funded for this area. However, small-scale solutions could be completed on a shorter time-scale through in-house projects.. 1/28: (PAZ) WPD is looking into options to reduce risk of flooding for homes near Little Walnut Creek. 9/2014 (WPD): Updated floodplain models for Tannehill and Fort Branch are complete, no flood mitigation CIPs are planned in the next 5 years. 10/2013 (PDRD): Project 5789.033 was completed. Project 5848.057 is under construction. 2/2010 (WPD): A storm drain project is under construction for the Oak Lawn area in Fort Branch Watershed (5789.033). An erosion, flood water quality and storm drain project is in design and is fully funded for the Truelight area off of Springdale (5848.057) to address watershed problems along Reaches 6 & 7 of Fort Branch. A flood control project to upgrade culverts for Springdale and MLK roadway crossings of Fort Branch watershed is a future planned project (preliminary engineering to start within the 5 year CIP plan horizon). A feasibility study was initiated by staff to study potential flood solutions for Lower Tannehill Branch (5754.058), along the reach of the creek that was previously channelized by the Corps of Engineers. Preliminary findings indicated that providing a higher level of flood protection (to address 25 year floodplain) is cost prohibitive. No feasible solution has been identified at this time for Lower Tannehill Branch.	10/2008: Pecan Springs/Springdale's #1 priority and MLK's #10 priority for FY 2009-10.	Watershed Protection Department

Action Item/ Rec #	Plan page #	Action Item/ Recommendation	Priority Ranking and Fiscal Year	Status	Staff Comments	Contact Team Comments	Primary Resource	Secondary Resource
170	102	Reduce street flooding by working with WPDRD to identify high need areas for storm drain improvements, and supporting WPDRD's funding requests for construction of storm drain improvements.	# 5 MLK, FY 2017-18	Underway	2/2017 (WPD) – significant funding still needed in MLK-TOD area. 1/27/2017 (WPD): A storm drain project was completed in the Oak Lawn area in Fort Branch Watershed (5789.033). Fort Branch Creek Reach 6&7 Channel rehabilitation (5848.057) was completed 9/30/2015. Integrated project to make improvements for flooding, erosion and water quality with natural channel design approach for the Truelight area off of Springdale to address watershed problems. 10/2013 (PDRD): A storm drain project was completed in the Oak Lawn area in Fort Branch Watershed (5789.033). An erosion, flood, water quality, and storm drain project is under construction for the Truelight area off of Springdale to address watershed problems along Reaches 6 & 7 of Fort Branch (5848.057) with completion anticipated on 9/10/2016.		Contact Team	Watershed Protection Department
182	103	Continue the development of Springdale Park with both recreational and natural open spaces.	# 5 MLK-183, FY 2017-18	Underway	6/2014 (PDRD): Friends of Springdale Park obtained a Keep Austin Beautiful grant in 2010 to develop a habitat demonstration garden and plant new trees. 1/2014 (PARD): Prior comments still applicable. PARD continues to advocate for a master plan of this parkland prior to any development. Partnering opportunities are the most immediate funding available for further development of this park. 9/2011 (PARD): PARD recommends contact team become the primary resource and that they seek grant funding and adopt-a-park sponsorship to implement their recommendations. 2/25/2010 (PARD): Could be a future CIP project. However, funding for added maintenance will have to be identified in future budgets.	9/2011: Priority #4 MLK-183, FY 2012-13. 8/2011: In a meeting with the NPCT and staff from PDR, Watershed, Public Works (NPP) and PARD about developing another entrance to the meeting, the NPCT discussed their desire to develop a master plan for the park. Initial discussion centered around pedestrian and mountain bike paths. This is a project that the NPCT is discussing taking on and staff from PARD will take the lead in providing staff support. 10/2008: Pecan Springs/Springdale's #8 priority for FY 2009-10.	PARD	Contact Team

183	103	During Phase II of Springdale Park's development provide a South or East entry to the park that can be utilized by the Fort Branch area and other areas on the East and South side of the park	# Not Ranked	Not Yet Initiated	1/2014 (PARD): Prior comment still applicable. 8/2011 (PDR): Staff from PDR, Watershed, Public Works (Neighborhood Partnering Program), and PARD met with the Neighborhood Plan Contact Team at Springdale Park to discuss this priority on 8/22/11. An Eastern entrance was identified that connected the park with Fort Branch Blvd. through a property owned by Watershed. This would be the easiest route to develop. A southern route, which would connect another segment of the neighborhood, would be much more difficult, requiring a creek crossing and a pedestrian bridge. The NPCT decided they wanted to develop a proposed Master Plan for the Park, incorporating these entrances, and then work with staff to implement.	9/2011: Priority #2 MLK-183, FY 2012-13. 6/2011 (Contact Team): Recommends development of Springdale Park to include: 1) a sign for the park 2) entries into the park from surrounding neighborhoods (for example, Lott Ave. dead ends into park land, but there is no entrance. Additionally, COA owns parcels of land on Fort Branch Blvd. It would be nice to have a bridge over the creek to connect the Fort Branch neighborhood to the park) 3) a larger trail network in Springdale Park, especially the area that is not developed. 4) while developing the trails, clear out brush and encourage native plant growth. 5) additional picnic tables and benches along the trails 6) install a trail map to educate neighbors on the routes throughout the park 7) start discussions regarding a disc-golf park 8) removal of brush and plant more native grasses, plants and flowers (like Mueller). The Contact Team also stated that safety is a concern with this park because of the illegal activities that occur. However, with more legal use of the park due to additional trails, brush clear out and tables/benches, illegal activities will decrease and neighbors will feel safer using the park.	PARD	
Non-Capital Improvement Project								
2	45	Promote homeownership programs and resources through community events and other venues.	# Not Ranked	Unknown			NHCD

Action Item/ Rec #	Plan page #	Action Item/ Recommendation	Priority Ranking and Fiscal Year	Status	Staff Comments	Contact Team Comments	Primary Resource	Secondary Resource
85	87	Construct sidewalks on Manor (south side) from EM Franklin to Creekwood.	# Not Ranked	Complete	12/2011 (Public Works): South side of Manor Road from Creekwood Road to EM Franklin was completed in 2011. Approximately, (4,577 feet of sidewalk were installed). 5/2009 (Public Works): 5,000 linear feet @ \$24/SF or \$120 lineal foot for the average 5' sidewalk.	10/2008: Pecan Springs/Springdale's #4 priority for FY 2009-10.	Public Works	
87	87	Complete the sidewalk network on Springdale Rd (east side) from Sara to Santa Anna.	# Not Ranked	Complete	1/2014 (PDRD): This sidewalk is complete as seen in City GIS data and Google streetview.		Public Works	
93	87	Complete sidewalk network on 12th (north side) Airport to Greenwood.	# Not Ranked	Complete	10/2013 (PDRD): Continuous sidewalk visible in 2012 aerial imagery.		Public Works	
94	87	Complete sidewalk network on Webberville (south side) at Tannehill.	# Not Ranked	Complete	12/2011 (PW): Sidewalk completed in 2006.	9/2011: Priority #8 MLK-183 FY 2012-13.	Public Works	
96c	88	MLK NPA - Construct a sidewalk on Tillery (west side) from Manor to MLK Blvd.	# Not Ranked	Complete	5/2015 (PZD): This sidewalk was completed in 2015. 2/2014 (PDRD): This project was awarded funding in January 2014 through the Neighborhood Partnering Program. Funds received from the sidewalk fee-in-lieu program supported this project. 6/2011 (PW): This sidewalk segment is a High Priority on the Sidewalk Master Plan. 9/2011 (Public Works): 1,200 linear feet @ \$24/square foot or \$120 lineal foot for the average 5' sidewalk. Sidewalk matrix score: High. All estimates are at today's construction costs and subject to change in the future.	9/2011: Priority #1 MLK FY 2012-13.	Public Works	
96d	88	MLK NPA - Construct a sidewalk on Tillery (west side) from MLK Blvd. to 14th Street.	# Not Ranked	Complete	01/2020 (PAZ): Sidewalk constructed in 2019 as part of 2016 Mobility Bond early out and 2018 Local Mobility Annual Plan sidewalk construction programs. 8/2018: Construction of sidewalk planned.		Public Works	
96e	88	Construct a sidewalk on Pershing (east side) from EM Franklin to MLK Blvd. (MLK NPA)	# 3, FY 2015-16	Complete	11/2015 (PAZ): This project is substantially complete. Pershing Drive used to be a divided street with a median in the center. This year, the western half of the street was converted to an urban trail, and the eastern half was re-striped for two-way traffic. While the completed project differs slightly from the original request, it offers a higher level of pedestrian comfort. 12/2014 (PDRD): Pershing Drive is being reconfigured to include an urban trail.		Public Works

112b	91	Conduct a traffic calming study for EM Franklin between MLK Blvd. and Manor Road.	# Not Ranked	Complete	5/2015 (PZD): Traffic calming for EM Franklin Avenue is in the preliminary design phase. 5/2015 (PZD): Traffic calming is proposed as part of the green street project proposed by the JJ Seabrook Neighborhood Association and funded by the Neighborhood Partnering Program. 4/2014 (PDRD): Speed mitigation request 13A-0029 is funded.	10/2008: MLK's #1 priority for FY 2009-10.	Austin Transportation Department	
137	98	Add street lights on Leslie Ave and Cometa.	# Not Ranked	Complete			Austin Energy	
138	98	Add street lights on Deloney Between 12th and MLK.	# Not Ranked	Complete			Austin Energy	
160	101	Complete the Fort Branch Creek Improvement Project.	# Not Ranked	Complete	8/2014 (WPD) Construction is complete as of 3/2014. 10/2013 (PDRD): This project is under construction. It will reduce flooding and erosion and enhance water quality with a natural channel design approach. The project includes approximately 1,600 linear feet of stream bank stabilization, construction of a new bridge on Fort Branch Blvd., upgrades to storm drain systems, and extensive landscape establishment and maintenance.	9/2011: Priority #6 MLK-183 FY 2012-13.	Watershed Protection Department	Public Works
164	101	Investigate JJ Seabrook greenbelt to determine if there is a flooding or erosion problem.	# 3, FY 2015-16	Complete	2/2017 (WPD): Project complete as of 12/30/2016 Stabilization of 860 linear feet of Tannehill branch Tributary 1 and construction of rain gardens and swales to treat local stormwater runoff. Project also included construction of urban trail along Pershing Drive. 11/2015 (PAZ): This project is substantially complete. 5/2015 (WPD): JJ Seabrook Stream Restoration and Rain Garden Project is under construction. Anticipate completion by December 2015. 8/2014 (WPD): Construction will begin Fall 2014. A bridge will replace a culvert on Pershing Dr. Through field assessments erosion is not a concern but a restoration project is addressing hydrologic connectivity, ecological function, and pedestrian connectivity within the greenbelt. 3/2014 (PDRD): A project is in the design phase to establish a stable stream system along 860' of Tannehill Branch by re-grading existing stream banks, installing grade controls, establishing a riparian buffer along the stream corridor, and constructing an urban trail along Pershing Drive. Rain gardens will be used to treat local stormwater runoff.		Watershed Protection Department	Public Works
