

ICMS #: 2020-0922

June 9, 2020

Complaint: The Office of Police Oversight received an email complaint from [REDACTED] stating as follows:

“I’m writing to express my discontent that APD has deployed an LRAD (Genasys 300X?) at the site of peaceful protests.

These devices are extremely dangerous and can cause permanent hearing damage to the children and adults protesting in front of police headquarters.

These devices do not serve and protect our community.

Thank you.

District 1, 78723”
