

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

August 5, 2022

ICMS #: 2022-0644

On August 3, 2022, the OPO received a phone complaint.

The complainant alleges: Officer [REDACTED] Badge number [REDACTED] interviewed my cleaning lady for an accident in which she was involved, at the intersection of [REDACTED] and [REDACTED]. My cleaning girl, [REDACTED], asked me to be present for the interview, because of her limited English. Officer [REDACTED] began the interview in English, with myself translating. Even after it was obvious my cleaning gal was not a native English speaker, he repeated asking in English if she had a Texas license and other questions. Her answer was always the same, as well as the translation. After realizing his bad faith attempt to see she would say something incriminating, he gave away he spoke perfect Spanish. This is not the way to build a relationship with the Hispanic community.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
