

- Assess condition of facilities on north side of Barton Springs Pool from trailhead through Pecan Grove area
- Review developmental constraints
- Identify critical program needs
- Inform stakeholders and engage public to develop priorities
- Discuss rehabilitation of the historical facilities with particular attention to the Bathhouse
- Present alternatives and develop recommendations

- Barton Springs Master Plan
- Public safety
- Major facilities in flood zone
- Critical species habitat and corresponding educational commitments
- Impervious cover at limit
- Inadequate water quality elements
- Historical designations
- Heritage trees

CONSTRAINTS

Salamander Habitat

ZILKER PARK IMPROVEMENTS AT THE BATHHOUSE ZONE

- Environmental elements should be enhanced
- Pedestrian/bike circulation should be improved
 - Main trail spine must be wider with fewer conflicts
- Site amenities, restrooms, etc. need updating
- Lower parking lot can be reconfigured to reduce impervious cover and improve water quality by adding rain garden
- Playscape should be safe and best in City
 - Design should reflect the natural context
 - Work should include shade and other amenities

BATHHOUSE KEY FINDINGS

- Ingress/egress needs improvement
- Bathhouse facilities need extensive rehabilitation
 - Plumbing systems should be replaced
 - Dressing stalls need major repair/restoration
 - Rotunda and canopy require restoration
- Sheffield/Splash! must remain in vicinity
 - They are non-conforming use and construction
 - Visitor/information function needs better location
- Aquatics facilities are inadequate

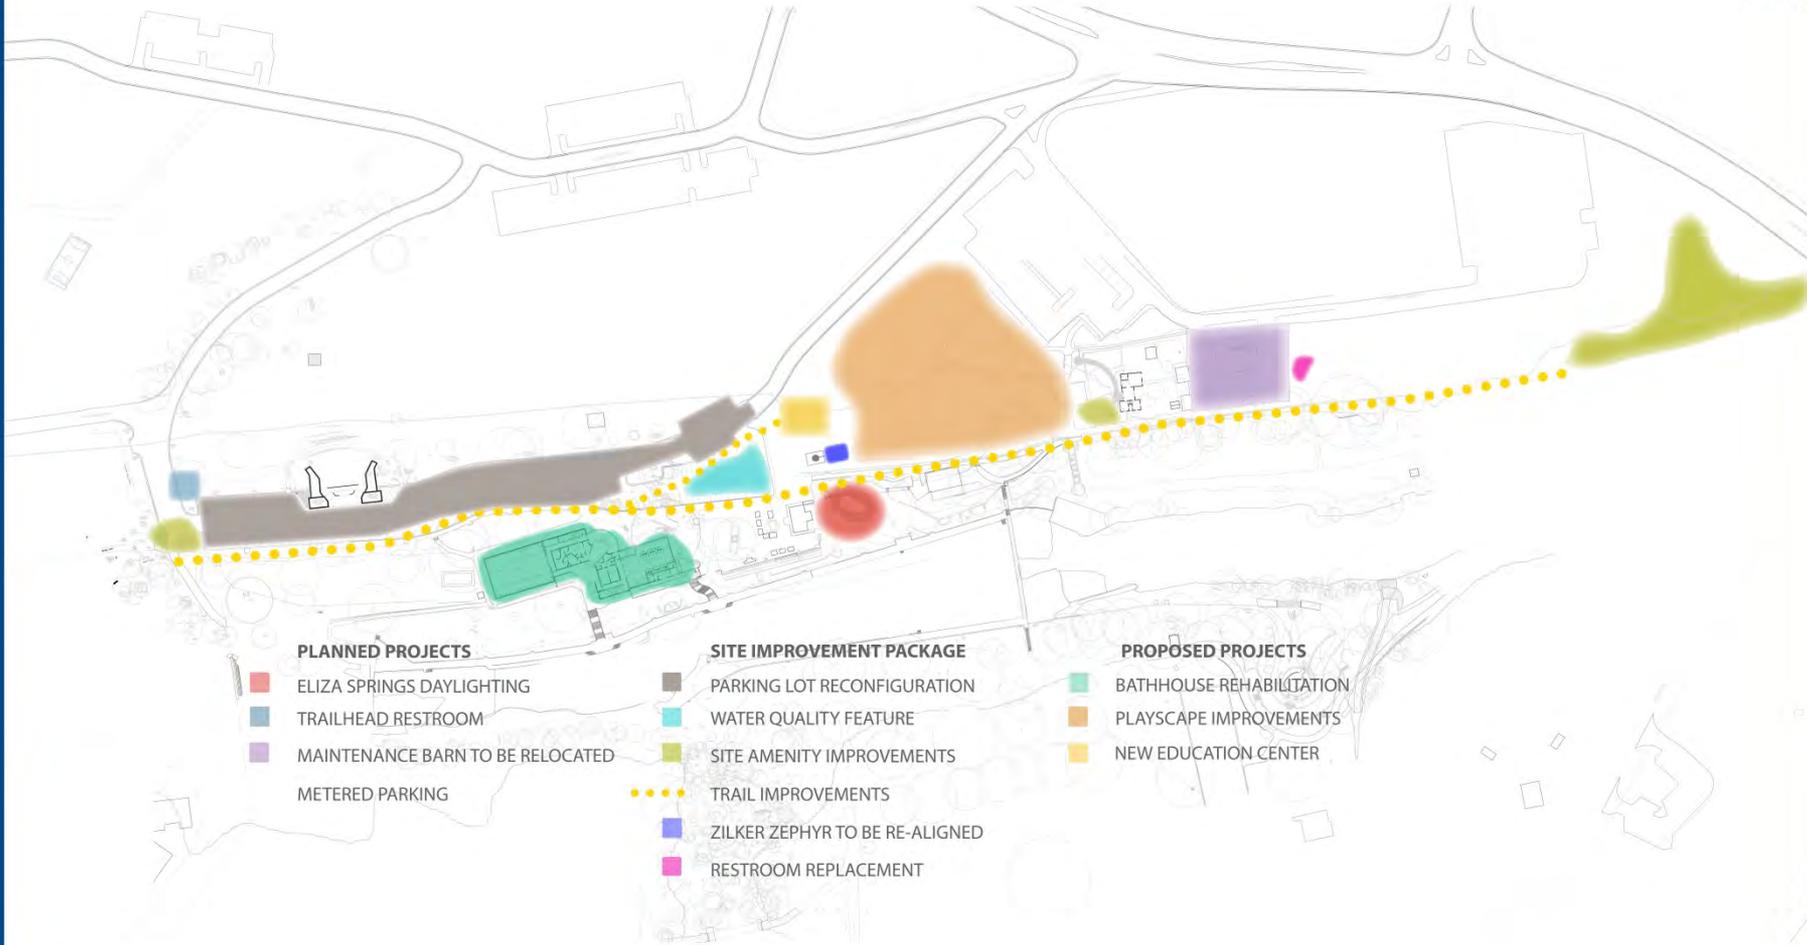

PRELIMINARY RECOMMENDATIONS

- Planned Projects
 - Eliza Daylighting, Trailhead Restroom, Maintenance Barn Relocation, Metered Parking
- Site Improvements Package
 - Parking Lot Reconfiguration, Water Quality Feature, Site Amenities, Trail Improvements, Zephyr Realignment, East Restroom Replacement
- Proposed Projects
 - Bathhouse Rehabilitation, Playscape Improvements, Education Center

SITE PLAN RECOMMENDED PROJECTS

PLANNED PROJECTS

- ELIZA SPRINGS DAYLIGHTING
- TRAILHEAD RESTROOM
- MAINTENANCE BARN TO BE RELOCATED
- METERED PARKING

SITE IMPROVEMENT PACKAGE

- PARKING LOT RECONFIGURATION
- WATER QUALITY FEATURE
- SITE AMENITY IMPROVEMENTS
- TRAIL IMPROVEMENTS
- ZILKER ZEPHYR TO BE RE-ALIGNED
- RESTROOM REPLACEMENT

PROPOSED PROJECTS

- BATHHOUSE REHABILITATION
- PLAYSCAPE IMPROVEMENTS
- NEW EDUCATION CENTER

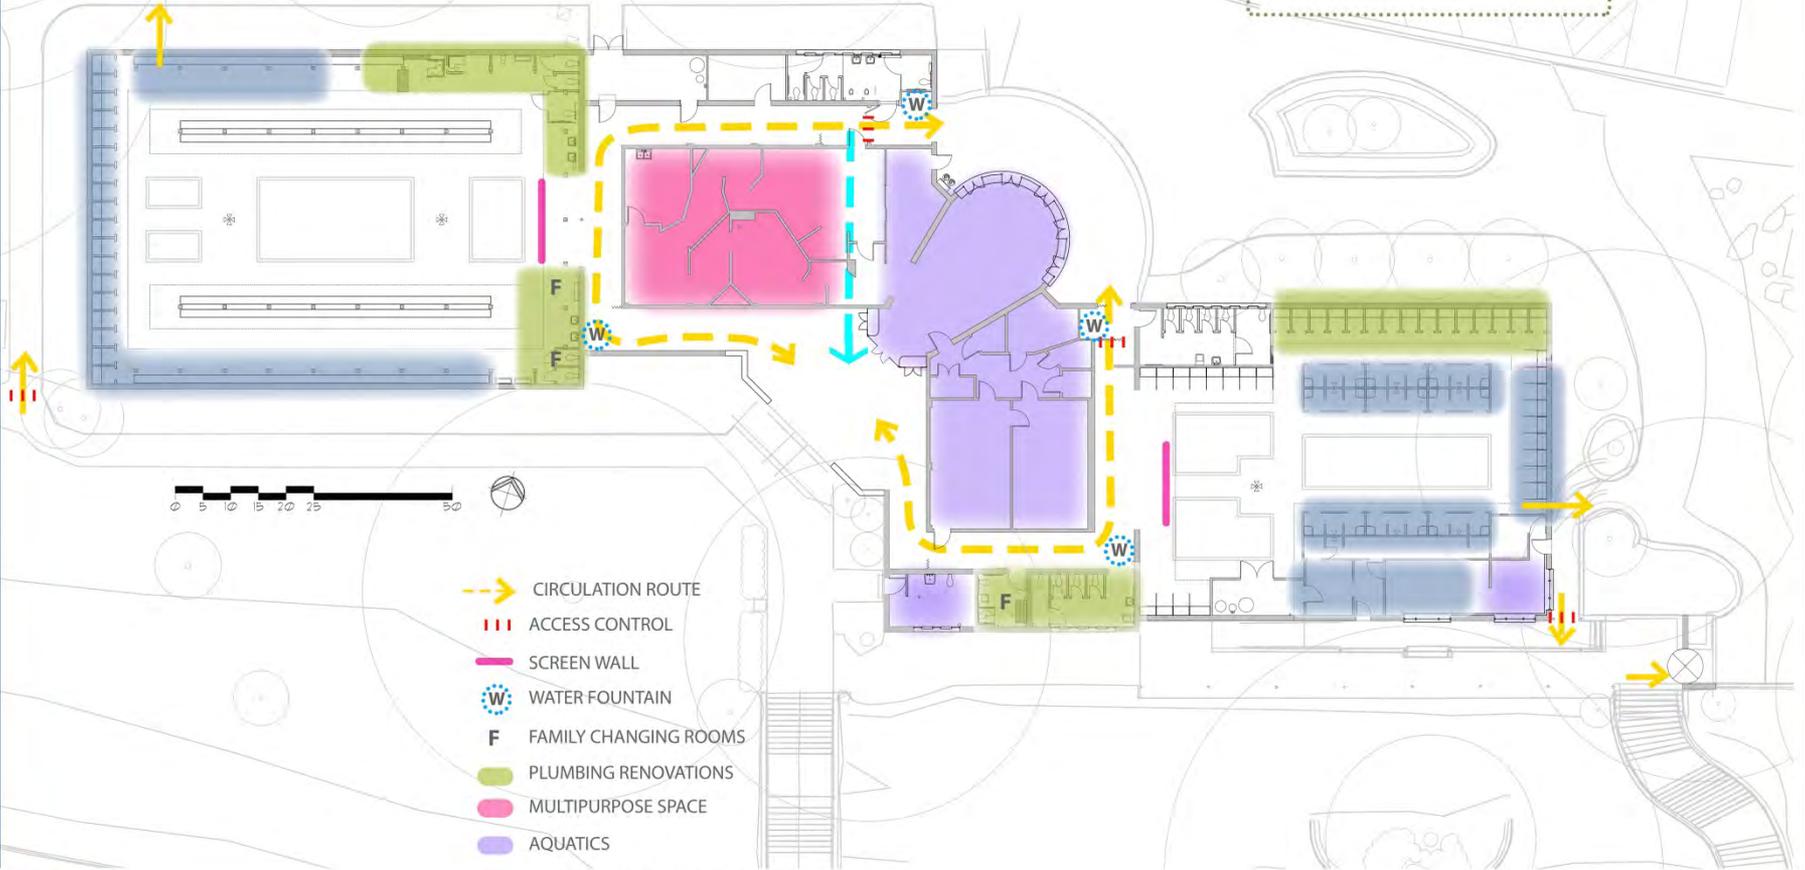

ZILKER PARK IMPROVEMENTS AT THE BATHHOUSE ZONE

BATHHOUSE REHABILITATION

STAGE 3B - RESTORATION OF DRESSING AREAS

STRUCTURAL REPAIRS
REHABILITATION OF CHANGING STALLS
RESTORATION OF ROTUNDA AND CANOPY
RELOCATION OF AQUATICS
