**CHILDREN'S SWIMMING AREA**

A stylized illustration of a park area. In the foreground, a wooden boardwalk with a railing runs along the left and bottom edges. In the middle ground, a large body of water is depicted in shades of cyan and blue. A yellow horizontal line, representing a 5% path, runs across the water. In the background, there are green hills and trees. Silhouettes of people are scattered throughout the scene: some on the boardwalk, some in the water, and some on the path. The overall style is flat and modern.
