About the Gallery and Historical Building:

The Old Bakery and Emporium is in the block south of the Capitol at 1006 Congress Avenue with the Art Gallery located on the 3rd floor. In the spring of 2011 the art gallery was opened and has had continuous monthly exhibits. Originally it was a bakery run by the Lundberg's, then the Maerki's from 1876 to 1936. In 1964, the Heritage Society used the building to operate a Tourist Information Center and in 1970 it was sold to the State of Texas. The existing Old Bakery and Emporium opened to the public in 1976.

Today the OBE features arts and crafts, tourist information, and is a mecca for visitors to the city because of the proximity to the Capitol and Governors Mansion.

Gallery Space:

There are approximately 168 linear feet of wall space to display art. The gallery's main feature are the 18 feet high limestone walls. The professional art hanging system allows for large pieces of work. Two to three artists or a group constitute the monthly exhibits.

Exhibit Team:

The art is curated by the exhibit team, who help with the check in process and assure all the paperwork is completed. A flyer is created for each exhibit and sent to the exhibitors and local social media. Each artist is encouraged to promote their own exhibit. The Opening Reception is on the Friday after the first Thursday of each month unless otherwise stated.

All art must be ready to exhibit and hanging art is required to have D-Hooks and wire.

Liability:

Due care will be given to all the art, but OBE is not responsible for any loss or damage to the art.

Art can be sold to the public during the exhibit:

The Old Bakery takes a 20% commission from all art sold during the exhibit. When a piece of art is sold a new piece of art may replace it.

City and Exhibition Paperwork must be completed before any art can be exhibited.
