EMMA LONG METROPOLITAN PARK VISION PLAN

The Parks and Recreation Department is creating a Vision Plan for the lakefront area of Emma Long Metropolitan Park. A key component of this process is working closely with the public.

We hope you can join us for our second public meeting!

We will share preliminary visual concepts that have been developed through technical studies and public input received at the first public meeting, two focus group meetings, and an online survey.

The meeting will include an open house period starting at 6 p.m. with a presentation at 6:30 p.m. and an additional open house period from 7 to 8 p.m.

If you are unable to attend the meeting, we still want you to be involved! All materials shared will be posted on the project website. Email EmmaLongPark@austintexas.gov with the subject "updates" to be added to receive project updates.
